# EDUCATIONAL TRIP TO NEHRU PLANETARIUM

*Children were taken for an educational trip to Nehru Planetarium to enhance their knowledge about Solar System and to increase their curiosity about space. Children really enjoyed their trip and were excited to know the interesting facts about space.*

Constellations are so beautiful.

Space is fun!

# हिंदी दिवस

९-९-१९ से १६-९-१९ तक हिंदी सप्ताह का आयोजन किया गया। इस सप्ताह छात्रों ने भिन्न भिन्न हिंदी गतिविधियां कराईं गयीं जैसे रचनात्मक लेखन, पुस्तक आवरण, व्याकरण प्रश्नावली और कविता गायन। हिंदी दिवस के अवसर पर क्लास चौथी की हिंदी अद्यापिका को कक्षा तीसरी में आमंत्रित किया गया। उन्होंने हिंदी भाषा के उथान, महत्व और उपयोग के बारे में छात्रों से बातचीत की।

# SCIENCE ACTIVITIES

To inculcate the value of teamwork and for better understanding of the concepts children made bird mask with different types of beaks and told how it is used by the birds. Children also made different types of the nest.

Birds have different types of beak as they eat different kind of food.

Birds make nest using straw, cotton, wool, leaves etc

# MATHS EXHIBITION

Children presented a Maths exhibition on graphs and shapes enthusiastically.

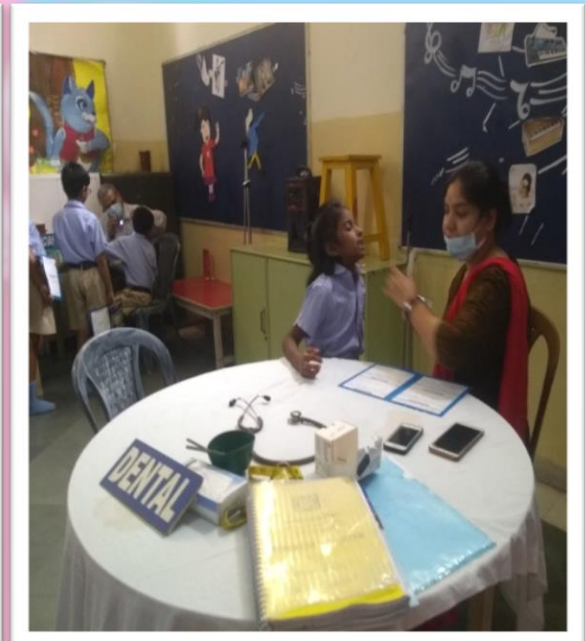

# SWACHHTA HI SEVA : THINK GREEN

*Children watched a video on hand washing steps and made hand outs on their usage of water for washing hands during the day to develop the proper hygiene habits .*

**HEALTH IS WEALTH**

Annual health check up camp for children.
