INDEPENDENCE DAY CELEBRATION

This year, East Point School has ensured that the feeling of patriotism lives on, and shifted the Independence Day celebrations online. The pre recorded content was shared with the students which included Vice Principal's address, orchestra, patriotic poem recitation, singing of patriotic song and dance. The entire function was organized virtually under the guidance of the teachers. The synchronized display by students despite being in different homes was noteworthy.

HINDI ACTIVITY

हिंदी गतिविधि - 'उक्ति लेखन' (कक्षा-9)

देवांश थपलियाल 9D

कक्षा 9वीं के छात्रों द्वारा विश्व व्यापी महामारी 'कोरोना' पर अपने विचार रखते हुए 'विचारोभिव्यक्ति' गतिविधि संपन्न की जिससे प्रेरित होकर अन्य छात्रों ने इस बीमारी से बचाव एवं जागरूकता फैलाने हेतु कोरोना पर प्रहार करते हुए चित्र सहित आकर्षक 'उक्ति लेखन' कार्य किया।

कोरोना वॉरियर्स को भारतवासियों व हम बच्चों का सलाम !!

POL. SCIENCE ACTIVITY

Discussion Activity - Are elections too expensive for our country?

The students discussed about the money spent in election campaigns . They presented different facts about the money spent in elections during the past 20 years. Students also discussed about the economic reforms that can be implemented.

CHEMISTRY ACTIVITY

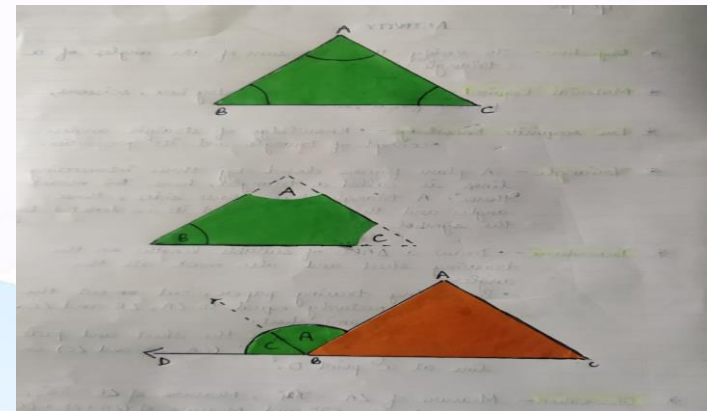

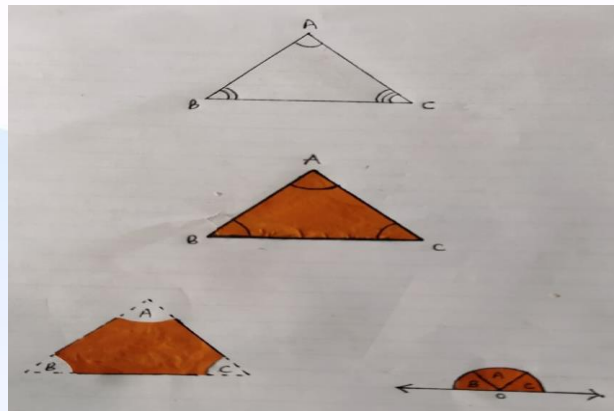

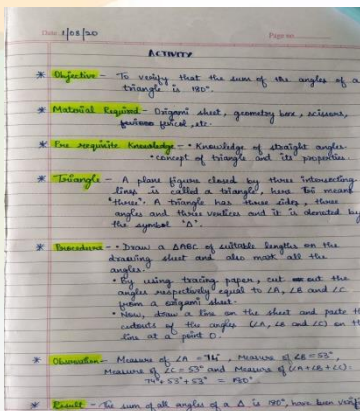

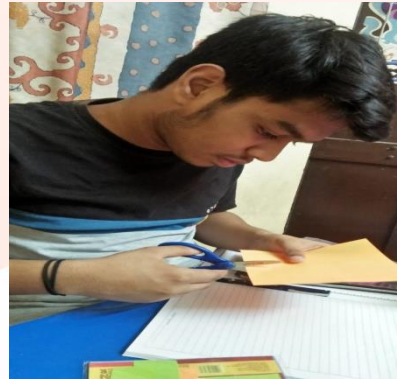

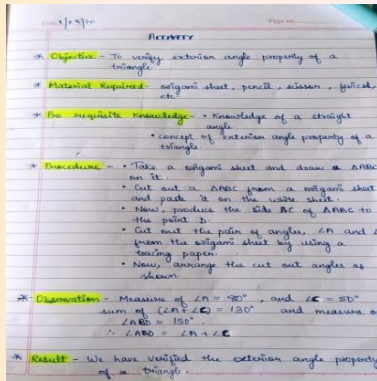

Aim : To prepare the true solution, suspension and colloidal solution and study the difference between them on the basis of transparency, stability and filterability.

The practical was performed during chemistry online class and the students noted down the observation.

MATHEMATICS ACTIVITY

Aim : To verify exterior angle property and angle sum property of triangle.

Students took interest and performed the activity as guided with help of coloured papers, scissors and markers.
