# INDEPENDENCE DAY CELEBRATION: THE 'NEW NORMAL WAY'

This year, Covid - 19 has shut schools indefinitely and added a twist to the 74<sup>th</sup> Independence Day celebration. The fervour remained, but we opted for the virtual route. Yes, you read it right!! At east point school, Vasundhara Enclave, patriotism found a digital expression.

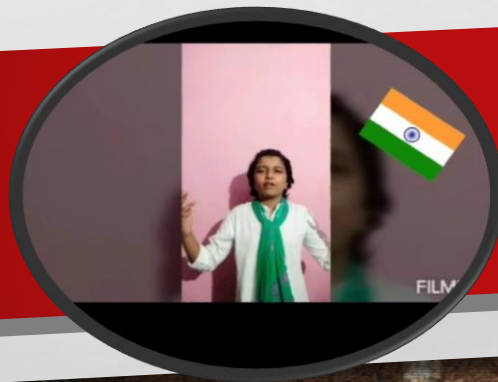

# Let the freedom be known!

The celebration started with the vice principal's address to the students. Further, the students presented a medley of patriotic songs, along with performance by the school orchestra and dance, all done online. Channelizing the creativity of students through poetry recital was also a key part of Independence Day celebrations at school.
