## STAKEHOLDER ADDRESS

It gives me great pleasure to welcome each one of you to the new session 2021-22 with the first edition of the Newsletter of East Point School. The newsletter is just not a collection of the various activities conducted by the school and done by the students but it is a reflection of the ethos of the school. It is a glimpse of the school vision and mission through varied activities conducted in the school with equal participation of the students to achieve the desired learning outcome.

I would like to take this opportunity to congratulate all the students for their active participation. As it is rightly said Winning and Losing both will take place in life simultaneously but what is most important is to never quit. So I wish each one of you all the best for your future endeavours. Stay safe and healthy.

**Archana Shrivastava**  
Principal  
East Point School

## TEACHERS' ADDRESS

The pandemic 21 returned and so did our challenges...the challenges of continuing with the quality education on a virtual platform, the challenges of keeping our young learners involved and sensitised, the challenges of adjusting to new technological mediums, and so on....

But we at East Point are here to live up to the expectations and move way beyond them and thus we continue to excel in whatever we do.

But none of this would be possible if we did not have the support and cooperation of our parents. And together, we believe, we will be able to cross any challenges that come our way – now and forever.....

**Mallika Juneja**  
Class Representative (Class II)

## PARENTS' ADDRESS

*In today's competitive world, I strongly believe that only academic soundness is just a part of curriculum and our wavelength are exactly matching with East Point School's ideology. They are not only concentrating on studies but also giving more importance to extra curricular activities like Art & Crafts, Drawing, Music, Yoga and fitness Class etc., thus making a platform for innovative ideas and creative thinking which is making a remarkable difference from other schools and it's keeping the children's enthusiasm high at all times.*
