Stakeholder Address

It gives me great pleasure to welcome each one of you to the new session 2021-22 with the first edition of the Newsletter of East Point School.

The newsletter is just not a collection of the various activities conducted by the school and done the students but it is a reflection of the ethos of the school. It is a glimpse of the school vision and mission through varied activities conducted in the school with equal participation of the students to achieve the desired learning outcome.

I would like to take this opportunity to congratulate all the students for their active participation. As it is rightly said Winning and Losing both will take place in life simultaneously but what is most important is to never quit.

So I wish each one of you all the best for your future endeavours. Stay safe and healthy.
