Principal's Message

It gives me great pleasure to welcome each one of you to the new session 2021-22 with the first edition of the Newsletter of East Point School.

The newsletter is just not a collection of the various activities conducted by the school and done by the students but it is a reflection of the ethos of the school. It is a glimpse of the school's vision and mission through varied activities conducted in the school with equal participation of the students to achieve the desired learning outcome.

I would like to take this opportunity to congratulate all the students for their active participation. As it is rightly said Winning and Losing both will take place in life simultaneously but what is most important is to never quit. So I wish each one of you all the best for your future endeavours. Stay safe and healthy.

PARENT'S MESSAGE

During this pandemic the way School Management has managed throughout the year with online classes is really impressive and appreciable. Special thanks to all the Teachers for their dedication towards the students . Initially we were very much worried about how the child will do with online classes. But now we are very much satisfied with the ongoing classes. We never imagined that Physical Training , Yoga, Music and Dance classes could be done online. It all became a reality in East Point school. Thanks again to the teachers for their support , patience and guidance.

Regards

Lili Pradhan

A Note from the Teacher

With the beginning of new session 2021-2022, I extend a warm welcome to all the students to the new online Academic Year. Each student has something unique to offer and we are here to encourage and nurture their talent as well as equip them with skills for life. Our main aim for the students is to develop them as valuable individuals. I'm thrilled for the upcoming adventures and experiences with my students. I'm confident that the year ahead will be full of rewarding experience.

Let's move ahead together in the online journey of learning towards success.
