## Headmistress

It is believed that "What makes a child gifted and talented may not always be good grades in school, but a different way of looking at the world and learning." I would like to take this opportunity to thank each and every parent for their continual support in making online learning a beautiful voyage during pandemic phase. At EPS we endeavour to give every learner the chance to express herself/himself through a judiciously planned curriculum. A newsletter is the replication of the same. Each child has his own exclusive qualities and as instructors it is our accountability to foster and develop every student in their early years of education. The curriculum is often revised to ensure that it remains apt to fulfil the desires of our learners. Our passionate and extremely enthused squad of educators work diligently to ensure the very best opportunities for every child.

# Teachers' Address

सत्र की शुरुआत में ऑनलाईन कक्षा की सफलता का पूरा श्रेय हमारे नन्हें योद्धाओं को जाता है। जिन्होंने कक्षा की गतिविधियों को बड़े ही रोचकता से पूर्ण किया। शिक्षिका के तौर पर हमेशा इस बात का ख्याल रखा गया कि पाठ्यक्रम सुनोयोजित और संरचित हो, जिससे छात्र कक्षा की गतिविधियों को प्राकृतिक ढंग से सीखें। मैं इस अवसर पर छात्रों के माता-पिता का धन्यवाद करती हूँ कि उन्होंने हमारे प्रति अपना विश्वास हमेशा कायम रखा।

मैं आशा करती हूँ कि आप सभी छात्र इसी प्रकार प्रयासरत रहें।

It gives me immense pleasure to get a chance to appraise the efforts of the entire staff and faculty of EPS during COVID-19, a very rare and sensitive situation. I had never thought online classes to be so much productive and interesting as well. I thank EPS for coming out with such innovativeness and that too at the very start of the situation. I really appreciate the burning potential of all faculty members who are doing their best to educate our children. During this time, teachers have left no stones unturned to help and ensure that the students keep learning. I have only two words for the teachers of EPS "Thank you".
