# ROLE PLAY ACTIVITY

The students of class VII actively participated in Role Play Activity based on their English Text. They enacted the main characters of the chapters. The objective of the activity was to develop confidence and to promote the skills of effective public speaking among them. All the students put up their best show. The activity proved to be a great learning experience for the students.

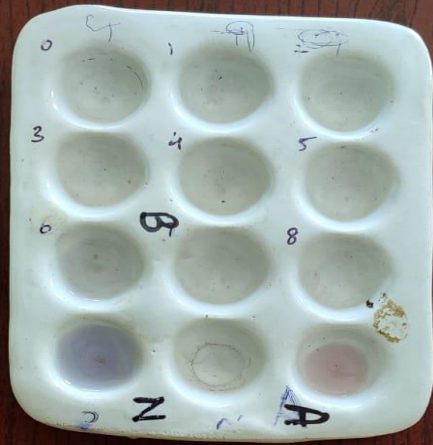

नारा लेखन  
कक्षा सातवीं के छात्रों ने नारा लेखन प्रतियोगिता में भाग लिया  
जिससे उनकी सर्जनात्मक, चिंतन और रचनात्मक कोशिशता का विकास हुआ

## Teacher's Address

I feel obliged to write this message for my students who have proved themselves strong in this enduring time of pandemics. They have proved that learning shall never stop and have adapted themselves well to this new normal. I want to tell the students every day was a good learning experience with you all and have transformed each one of us into a technology-savvy individual. Just stay positive and truthful to yourself and others. Hoping to see you soon in school. All the very best!

Ms. Ranjana TGT -Hindi

## Parent's Address

The onset of Covid-19 has turned children's lives topsy-turvy, with an array of challenges - online classes, limited social interaction, restricted outdoor games. It's a complicated twist to the children's developing brains. Hence, it has become so crucial to be calm and be proactive in conversing with children. I thank all the teachers for keeping them engaged at this difficult time through innovative ideas of e-learning.

### Designing of Question Paper:

A workshop on designing Question Paper was conducted by the principal, Ms. Archana Srivastava wherein she guided the teachers about the kind of questions to be included like application-based, Multiple choice Index, Reasoning based and so on. The agenda was to make students equipped with all the concepts and in-depth knowledge of the subject. The workshop was very informative for the teachers as it included a variety of questions which are a must for the students to know and attempt.

### Orientation regarding Exam Pattern:

East Point School organized an orientation program on 21 August 2021 for the students and the parents. The main aim of the program was to acquaint them with the online exam pattern and bifurcation of marks for each term. The parents were also told about general guidelines regarding examination, passing criteria, and areas of evaluation.

The parents were also acquainted with the digital classes functioning, uploading of paper on Microsoft teams, and material updated on the school's website. It was a fruitful meeting for the parents to get familiarize with the examination pattern.

A dirt road lined with wooden fences and green grass, leading towards a sunset sky. The sky is filled with soft, orange and pink clouds. The road is in the center, flanked by tall grass and wooden posts connected by wire. The overall mood is peaceful and hopeful.

Focused, hard work is  
the real key to success.

John Carmack
