LINGUAFUN

Role play activity –The students showcased the story , A DAY IN THE COUNTRY BY ANTON CHEKHOV through a role play activity in a commendable way.

A DAY
IN THE
COUNTRY

ANTON CHEKHOV

LINGUAFUN

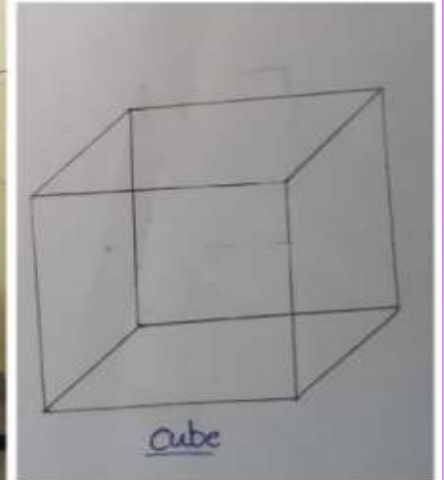

नारा लेखन

कक्षा आठवीं के छात्रों ने नारा लेखन प्रतियोगिता में भाग लिया जिससे उनकी सर्जनात्मक, चिंतन और रचनात्मक कौशलता का विकास हुआ

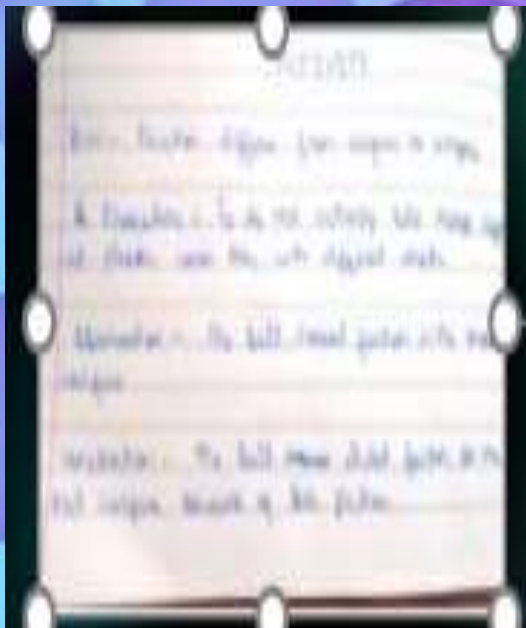

CALCULIA

3 D OBJECTS IN OUR SURROUNDINGS

EUREKA

ROLLING FRICTION OCCURS WHEN AN OBJECT ROLLS OVER THE SURFACE
THE SMOOTHER THE SURFACE THE FARTHER IS THE MOVEMENT OF OBJECT.

EUREKA

THE PRESSURE EXERTED BY A LIQUID INCREASES WITH INCREASING DEPTH INSIDE THE LIQUID. THE PRESSURE EXERTED BY A LIQUID IS SMALL JUST UNDER THE SURFACE OF THE LIQUID. BUT AS WE GO WE DEEPER IN A LIQUID THE PRESSURE OF LIQUID INCREASES.

INFORMATION TECHNOLOGY

WEEK OF CODE

A-One Week Online Program was conducted by narayandojo.com for learning to create animations, stories, and games with scratch.

MY NAME IS MOHD. SHAYAAN HUSSAIN AND HERE I'M GOING TO TELL ABOUT WEEK OF CODE WHICH I HAD ATTENDED IN MONTH OF JULY FROM 18TH -24TH AND DEVELOPED LOGIC BUILDING USING CODING.

WHAT IS CODE OR WHAT IS MEANT BY CODE ?

Code is a language of computer that means **converting human language into the binary language** I was too much excited to attend this week of code when my computer teacher "Ms Sunita Sahu" shared with us in our class 8th and I would suggest in this world of technology every student must learn the programming coding Online session was very enriching & interactive through practicals conducted using mit app inventor..

1. We had done some activities and projects like rock band, ghostbuster game , greeting birthday card, paint app, chatbot, lost in space and boat race game and many more.
2. scratch.mit.edu is an app available on google or google play store.
3. We got some challenges in it also.
4. After that we also learn the tinkercad coding with MICRO:BIT.

INFORMATION TECHNOLOGY

youtu.be/wcvKI9LMraA

Class -VIII participated & submitted their ideas on topic "My idea of safe and peaceful cyber space".

It was online competition organized by CBSE TITLED AS eRaksha competition 2021 where young internet users entries were invited in form of video/blog/poster/article. Children created videos, posters, articles, roleplay and uploaded on the portal.

Subject Enrichment activity was conducted on the topic Networking. Students explained the networking concept through PPT with pictures of different topologies

Cybersmart certification was achieved by students through learning journey on the portal wmscarefoundation.org to create awareness among citizen on cyber security. Each Theme was represented by a micro learning animated video followed by a 5 Question quiz. Each learning journey hence had 25 question assessment to check learning. Students logged in to the portal and experienced the journey of cyberworld. After completion of all the themes and their respective journey, the students downloaded a badge & certificate and became Cybersmart.

DESERTS OF ALGERIA

Algeria's Desert is a part of Sahara desert

| The most commonly seen animals include the wild boars, jackals, and gazelles.

| Although it is not uncommon to see spot fennecs and jerboas.
| Leopard and cheetah are seldom seen.

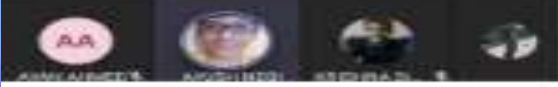

The Tuareg people

They principally inhabit the Sahara in a vast area stretching from far southwestern Libya to southern Algeria, Niger, Mali and Burkina Faso.

MORNING ASSEMBLY

An Initiative to Create Awareness on the Momentous topics.
AUGUST Topic-TOLERANCE (HAPPINESS CURRICULUM)

<p>Tolerance is not just about accepting different behaviors. It is about accepting people for who they are. Teaching tolerance to children will prepare young people for more opportunities and bring more happiness into their personal lives.</p>	<h2>TEACHING TOLERANCE TO CHILDREN</h2>	
<p>VEER NIGDE :- :-:-</p> 	<p>VEER NIGDE :- :-:-</p> 	<p>VEER NIGDE :- :-:-</p> 
<p>Why do we need to teach tolerance to our kids? We are surrounded by differences in ethnicity, religion, culture, gender, disabilities and other differences. We want our kids to feel at ease to live in a multicultural society. They can learn lessons from these differences, and bring new ideas, experiences and energy into their lives. Tolerance can lead to success in business, education, travel, lifestyle and other areas of life.</p>		<p>Tolerance is an attitude which teaches individuals to respect the differences in culture and people. The concept goes beyond religious, traditional and racial differences. It is also about accepting pe</p>

Parents' Address–

History has shown that human race has always progressed through tough times by perseverance, hope, collective efforts and innovations. When faced with challenges, we have come up with new ideas and inventions which have proved to be major milestones leading to the establishment of modern civilisation. Our children would surely carry forward this legacy.

Teacher's Address

**Dear students,
I feel obliged to write this message for my students who have proved themselves strong in this enduring time of pandemics. They have proved that learning shall never stop and have adapted themselves well to this new normal. I want to tell the students every day was a good learning experience with you all and have transformed each one of us into a technology-savvy individual. Just stay positive and truthful to yourself and others. Hoping to see you soon in school. All the very best

Microsoft Teams

A workshop on Microsoft teams was taken with the teachers to address the doubts of the students and teachers. The issues faced by the teachers and the students were resolved and the latest updated features were also informed to the teachers.

Designing of Question Paper:

A workshop on designing Question Paper was conducted by the principal, Ms. Archana Srivastava wherein she guided the teachers about the kind of questions to be included like application-based, Multiple choice Index, Reasoning based and so on. The agenda was to make students equipped with all the concepts and in-depth knowledge of the subject. The workshop was very informative for the teachers as it included a variety of questions which are a must for the students to know and attempt.

Orientation regarding Exam Pattern.

East Point School organized an orientation program on 21 August 2021 for the students and the parents. The main aim of the program was to acquaint them with the online exam pattern and bifurcation of marks for each term. The parents were also told about general guidelines regarding examination, passing criteria, and areas of evaluation. The parents were also acquainted with the digital classes functioning, uploading of paper on Microsoft teams, and material updated on the school's website. It was a fruitful meeting for the parents to get familiarize with the examination pattern.

"Self-belief and
hard work will
always earn you
success."
