

MAY – MONTH  
ACTIVITIES  
OF CLASS – IV

# DEAR ACTIVITY

DROP EVERYTHING AND READ

**DEAR activity is conducted on 1<sup>st</sup> of every month. During the activity the students as well as the teachers are engaged in the world of reading.**

# Labour Day

- The students of class IV acknowledge the cleaning staff by preparing thank you cards .

# English Grammar Activity

- Through this activity students learnt reflexive pronouns.

# English Activities

- As an activity students of class IV tried to explore their talent through these interesting activities.

# Social Science Exhibition

Students organised Social Science Exhibition on 11 May in their respective classes where they demonstrated their work done during Social Science Week .

Students of class IV observed a cactus plant and a cone of pine tree to understand the concepts in a better way .

# MATHS WEEK ACTIVITIES

Maths week was conducted from 13<sup>th</sup> May to 17<sup>th</sup> May on the topic Money. Students did many activities like money transaction, exchange currency etc. and an inter house quiz was also conducted during the week. Students enjoyed doing the activities and got to know the concept clearly.
