

**East Point School  
Newsletter  
Class-2  
Month- July**

# Seed Germination

Seed germination activity was conducted . Children were shown the process with the help of smart board and they themselves sowed the seeds, watered them regularly and observed their growth.

# Nature Walk

Nature walk activity was conducted where students observed the various types of plants like tree, shrubs, climbers etc. The parts of plants were also shown and explained to them.

International Tiger Day was celebrated on 29<sup>th</sup> July. Students were shown a video on tigers and need to save them. They also made a mask of tigers.

# INTERNATIONAL TIGER DAY

# Environment Week

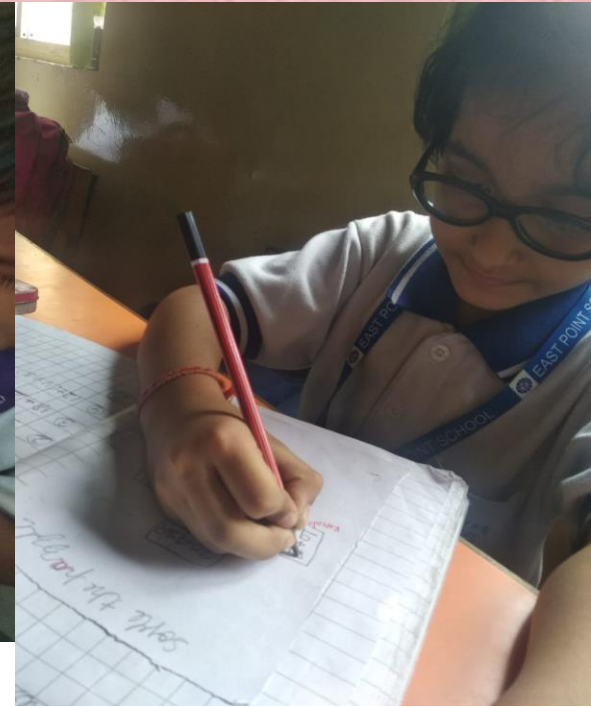

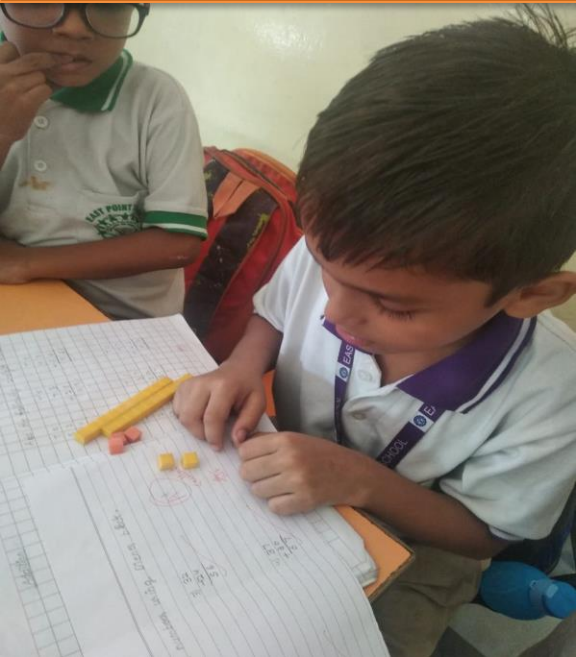

Students were made aware about importance of water and the need to save water. Video related to the topic was shown to the students and a poster making activity was conducted on the topic save water.

## Save The Water

To enhance the understanding of addition and subtraction children of class 2 used Dienes block, an effective resource to understand place value. Also their logical reasoning was enhanced by solving a puzzle to get different combinations to form a particular number.

## Dienes Block Activity

**An activity was conducted for the students of class 2 on Pronouns. Students were asked to collect different pictures, after which they were asked to paste the pictures under he, she and it. By this activity they understood the concept of pronouns.**
