Independence Day Celebration

The students celebrated the Independence Day by performing on a number of events like song and elocution. They celebrated with great splendor, joy and respect for Mother India.

SCIENCE WEEK

Class II

TOPIC : Road Safety

Video Watch

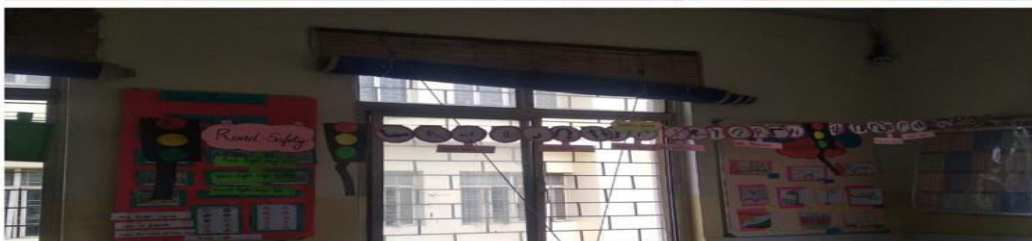

Science week was held from 5th to 9th August . Students performed various activities on the topic Road safety. Children were made aware about various signs through video and after that they made road signs. Apart from that a short traffic drill was conducted in which children participated enthusiastically.

SCIENCE EXHIBITION

Students participated in science exhibition which was held on 17th August. Various traffic signs and road signs were displayed in the classes. First aid box was also displayed in the class. Students explained the topic road safety to the parents.

PAPER BAG MAKING

Converting waste paper into useful bags.

Paper bag activity was conducted for the students. They made paper bags using waste papers and newspapers. They learnt the need of 'save paper save tree' through this activity.

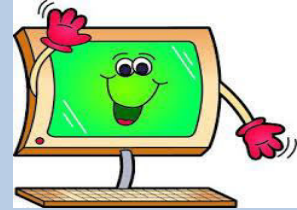

Math Activity

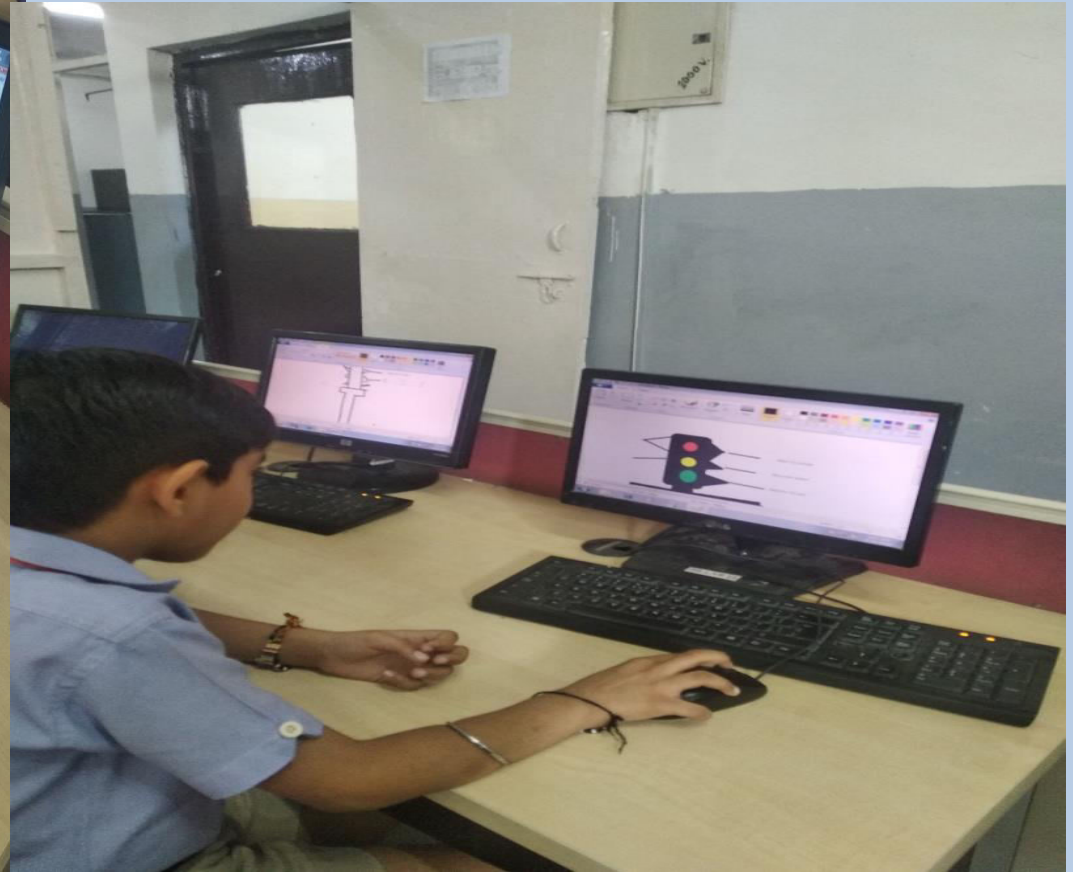

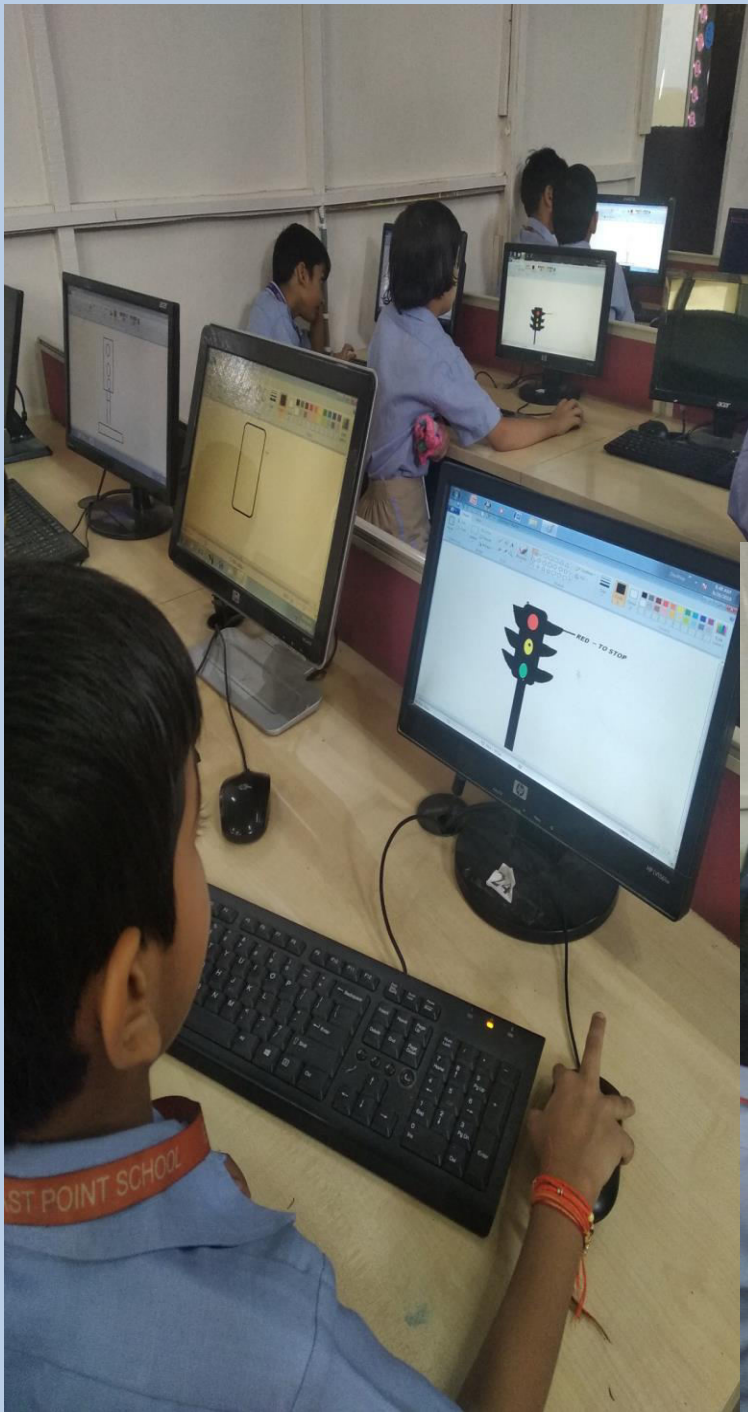

To strengthen the concept of addition and subtraction, children used Logico Piccolo board to solve the puzzle and enhance logical reasoning.

EVS integrated with IT to let children have technological learning along with concepts.

Children used MS Paint to draw the traffic lights and explained the meaning of each light on the computer.

गतिविधि कार्य

छात्रों ने आज़ादी के महत्व को समझकर स्वतंत्रता दिवस के उपलक्ष्य पर रचनात्मक लेख लिखा ।

गतिविधि कार्य

छात्रों ने सुरक्षा संबंधित संकेतों के महत्व को जाना, जो उन्हें यह संकेत आते-जाते समय दिखाई देते हैं।

National Sports Day

Children celebrated National Sports Day with great zeal and enthusiasm on 29th August, 2019. The students enjoyed a lot.
