# Water Conservation

To help the students to learn about the importance of precious natural resources. A Day camp was organized on 13th September 2019. It was a fun filled day where the children were engrossed in activities including experiments with water, art and craft activities, story session on water cycle and many more. The students understood the importance of water and how we can use it wisely.

DEVELOPING  
MOTOR  
SKILLS

To enhance the creativity and imagination of our budding artist a clay modeling activity was conducted for the students on 17<sup>th</sup> September 2019 where they made a variety of birds and animals. The children enjoyed the activity and it also helped them to strengthen their fine motor skills.

CLAY  
MODELLING

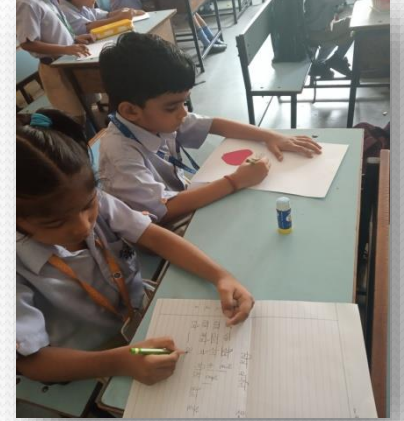

# Learning by Doing

The students made house with waste paper to understand the concept of shelter and different types of house.

# हिंदी दिवस (१४ सितम्बर)

हिंदी सप्ताह के अंतर्गत सभी छात्रों ने विभिन्न गतिविधियों में भाग लिया। इन रोचक गतिविधियों से छात्रों के श्रवण, पठन, वाचन व लेखन कौशलों का विकास हुआ। छात्रों ने नए अनुभवों को ग्रहण किया तथा उन्हें अपने विचारों द्वारा व्यक्त किया।

**Stay  
Healthy**

**Healthy Food Platter Activity was done in class to help children to develop healthy eating habits and also to make them aware about the nutrients they need from every food group.**

# Educational Trip to National Bal Bhavan

On 26<sup>th</sup> September, 2019 children went on an educational trip to 'National Bal Bhavan.' The mirror were the star attraction of Bal Bhawan. The children enjoyed the mini train ride. It was a great learning experience for the students.

# Maths Exhibition

Maths exhibition was organized on 28.09.19 to develop reasoning, creativity, critical thinking, abstract thinking, problem solving ability and even effective communication skills amongst the children.
