PROJECT WORK
In order to enhance knowledge about the 'Neighborhood and community helpers', the children did a project on the same.

ROLEPLAY

Tiny tots of kindergarten were dressed up beautifully to showcase the importance of community helpers.

COMPOSTING ACTIVITY

Kindergarten children were encouraged to bring fruits and vegetable peels from home for composting activity which took place in the school grounds.

MONT ACTIVITIES (Knobbed cylinder)

Children did an activity with knobbed cylinders to understand the differences in thickness and height.

CHRISTMAS

A special assembly of the little children was held wherein children showcased the birth of Jesus Christ through a skit and sang various carols as well.
