EX·CEL

EX·PERIENCE

EX·PLORE

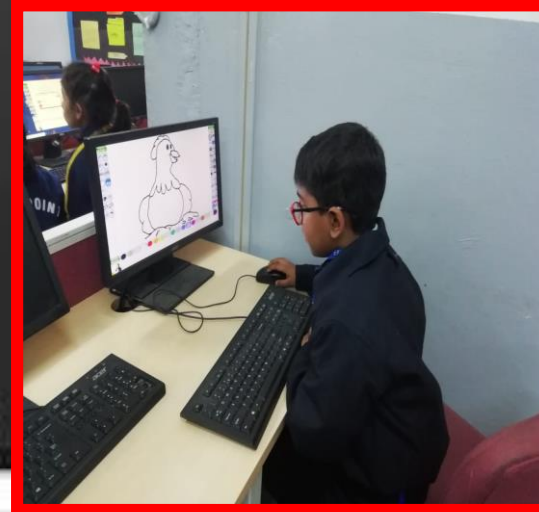

STUDENTS WERE DRESSED UP AS "CLOWNS" IN COLORFUL COSTUMES AND SWAYED TO THE BEATS OF THE MUSIC. THEY ALSO COMPETED WITH EACHOTHER BY PARTICIPATING IN 100 METRE DASH RACE

The students enjoyed the activity of 'Design your dress' which was based on the concept of 'Clothes'. The little designers showcased their talent through this activity.

Children drew and colored their favorite animals during their computer period.

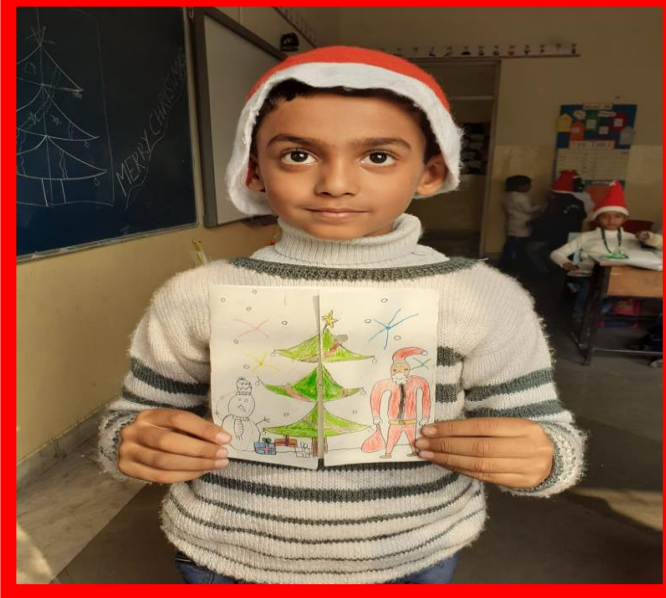

The Amazing World of Animals

Students participated enthusiastically in 'Mono Acting' wherein they selected their favourite animal and shared few lines on it. They also enjoyed listening to animal songs and playing with puzzles.

On the joyous occasion of Christmas students had a 'Shopping Spree' where various stalls of eatables were set up. To introduce the concept of money, children were given fake currency to purchase different items of their choice. The little ones were amused and made wonderful cards to sum up celebration.

TIME

Time board activity helped the young learners to learn about hours and minutes in a fun way.
