EX·PERIENCE

REPUBLIC DAY CELEBRATION

To mark the 71st Republic Day and to inculcate the value of patriotism in the children, children sang a Bengali song and an English poem to pay the tribute to the soldiers with enthusiasm.

SOCIAL SCIENCE MAP ACTIVITY

To help the children understand the location of the important cities of India and how to mark them on the map the map activity was conducted. Children did the activity with enthusiasm.

WORKSHOP ON ORGANIC FOOD

To help the children understand the need of shifting to organic food, a workshop was conducted for the children by Synergy. Children enjoyed the workshop and participated enthusiastically.

Can you tell time?

To help the children understand the concept of time and how to tell the time in words and figures the following activity was conducted. The chits were given to the children and they had to show the time written on their chits in their dummy clocks.

I know how to quarter past, half past and quarter too.

कविता गायन

कविता" खेल खेल में "के कविता गायन द्वारा छात्रों में मित्रता ,प्राकृतिक सुरक्षा वृक्षारोपण , और आपसी सहयोग की भावना को उजागर किया गया ।

Science and ICT

- To help the students to understand the concept of force, the students were asked to draw push or pull on the MS Paint.
