Nursery Exhibition

An exhibition was displayed as part of the pre primary annual day wherein the students of nursery showcased models and art work on a variety of subjects. It was appreciated by everyone including the parents.

PURPLE COLOUR DAY

The tiny tots of nursery celebrated purple colour day on 24th February 2020. All the children came and dressed up in purple. kids performed activities like fingerprinting in cut outs of grapes and brinjal. This was followed up by worksheet which helped them to identify and relate to the objects around them which were purple in colour

Concept of addition

Students of nursery class did an activity using abacus where in they counted beads in order to understand the concept of addition.

LETTER 'Y'

Learning letters are too much fun. Learners learnt 'Y' for yarn and 'Y' for yellow colour. They did an amazing activity in which they pasted yellow colour yarn on letter 'Y' by singing letter 'Y' rhyme.
