Class –III

Month – July

TODAY  
is the day to  
learn something  
NEW

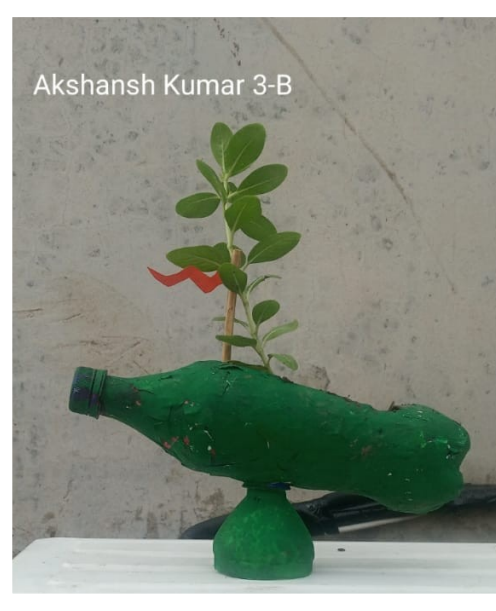

# My Own Planter

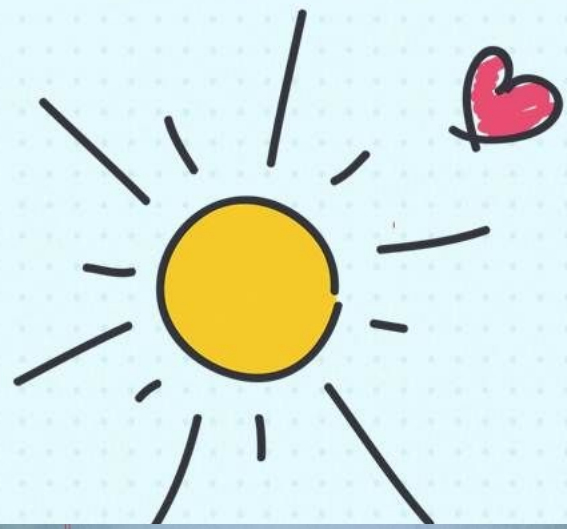

Children created their own planters with the waste material and gave them names too. They really enjoyed the activity and did it actively.

Akshansh Kumar 3-B

Aloe-vera Carom Plant

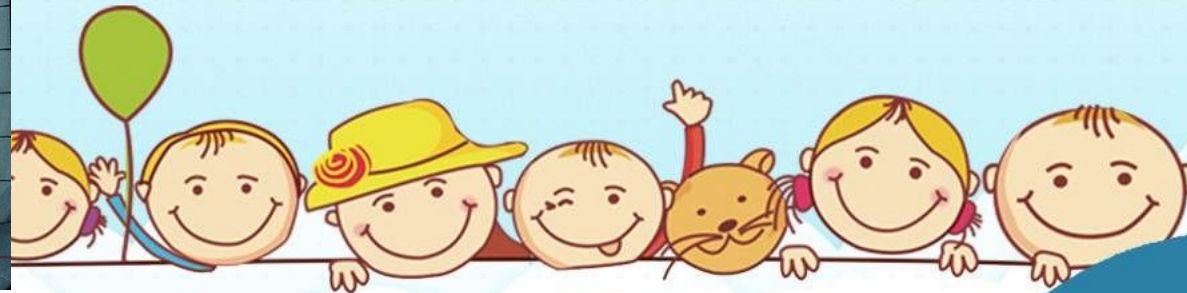

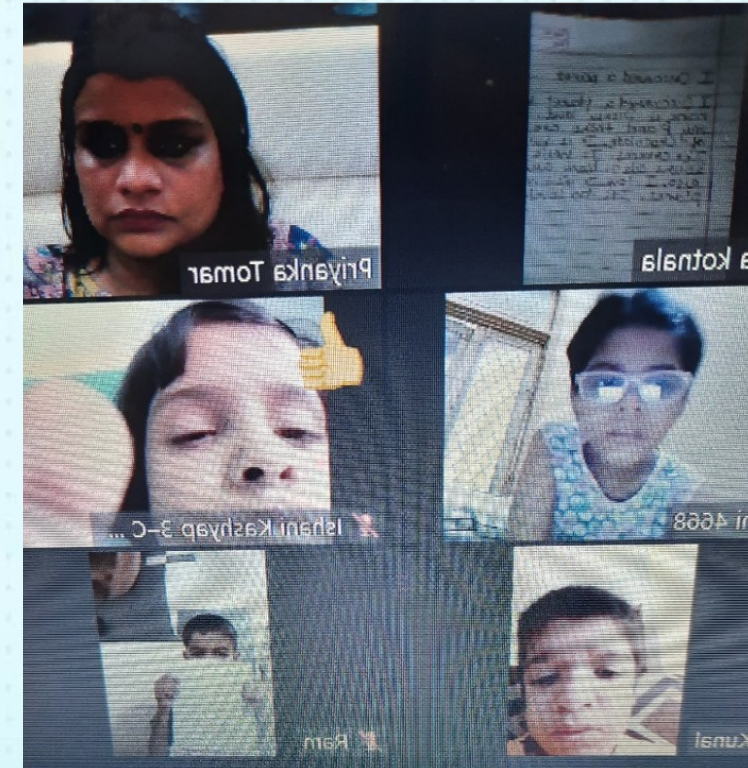

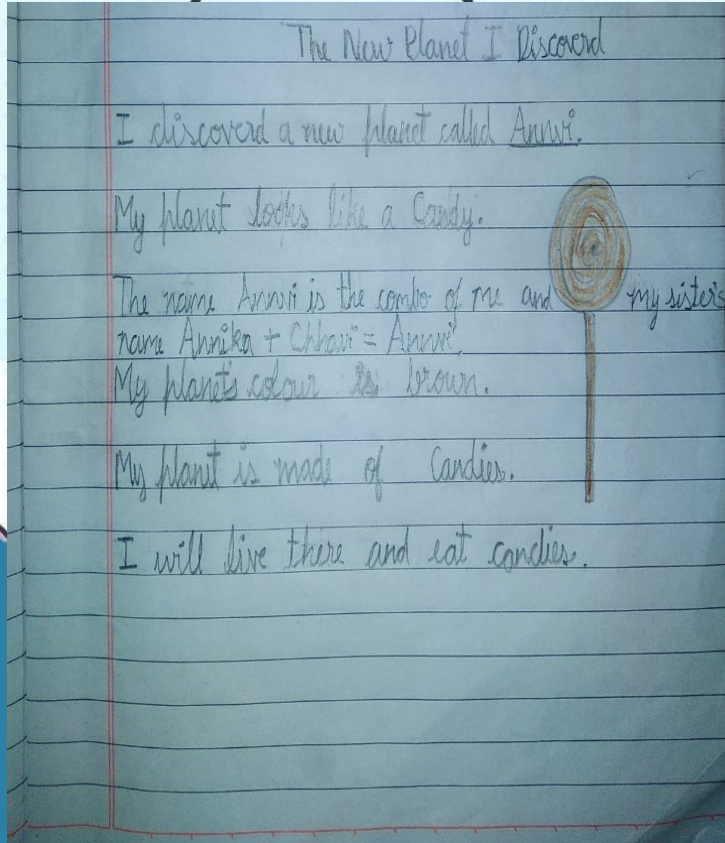

# English Week

English week was conducted for the students. The topic taken was "Solar System" integrated with Science. Students were shown a video on Solar system and a short story "The Cold Planet". They were asked to write on "The New Planet I discovered".

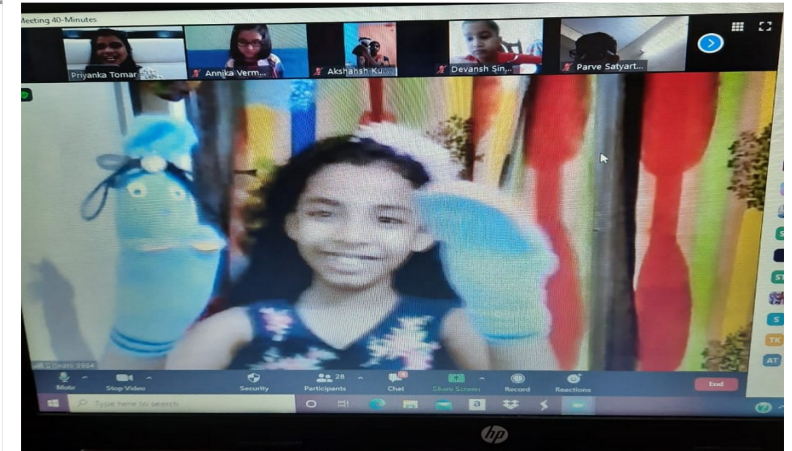

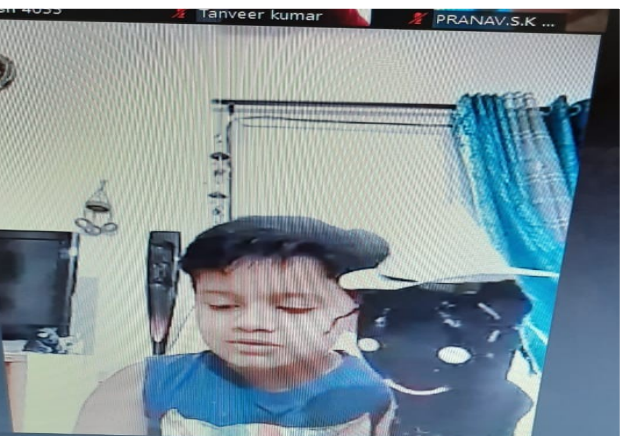

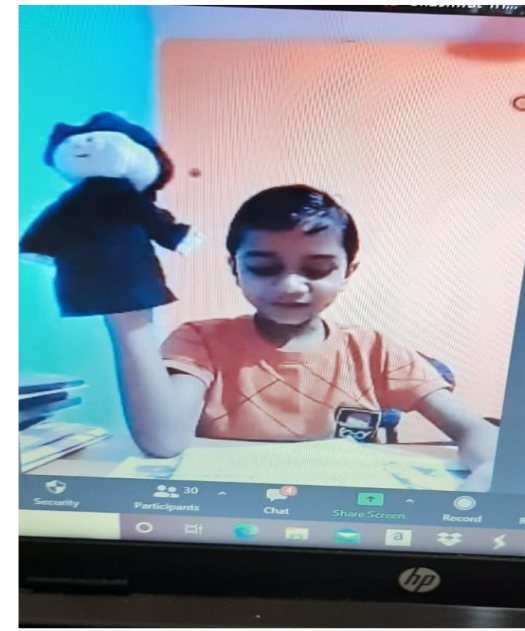

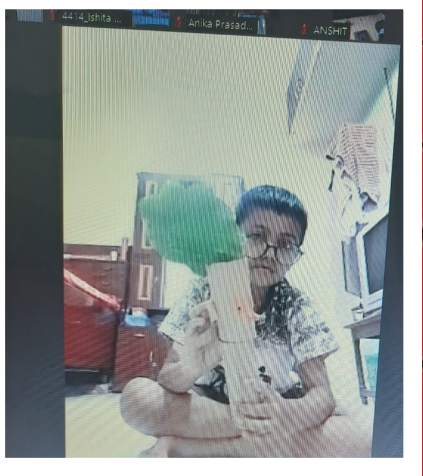

They also wrote Acrostic poem for each planet. Students really adored the activities conducted.

# Story Telling through Puppets

- Students made beautiful puppet of their favorite character from the story "Williwu Learns to make new Friends ". They expressed their views with great vehemence.

पानी रानी ।  
 पानी रानी आती है जब,  
 बादल गरजते हैं तब ।  
 पानी रानी वर्षा करती है जब,  
 बूँदें बरसती हैं तब ॥  
 आओ सब मस्ती में इसमें  
 दोस्तों के साथ चूमें,  
 जब डार पानी रानी ।

वर्षा रानी  
 खी, देखो बारिश लाई  
 डी, उंडी हवा वो लाई  
 सबने जसकर पकौड़े चार  
 भौर खबने मौज मचाई ।  
 देखो, देखो बारिश लाई ।

नाम - इशिका  
 कक्षा - तीस

हमहम-हमहम बस्सा पानी,  
 आ गई देखो वर्षा रानी  
 काले-काले बादल आर,  
 साथ मे ठंडा पानी लाए  
 पानी मे सबने नाव चलाई  
 मिलकर सबने मौज उड़ाई ।

 III B  
 Anshita Khatun  
 आ पी बरसात सुनानी  
 बरसात है खलओ की रानी  
 चारा तरफ बरसा है पानी  
 लीगाँ ने है छतरी लानी  
 बाँधे नमामें काले बादल धर्ये  
 गाने गीत पंख फैलाए  
 कोमल सीठे गीत सुनाये  
 सुशहाली फैलाये है  
 कुछ देनै का संदेश सुनाये  
 हलै सुने हम इसे गुनै हम  
 वर्षा जैसा सरत को

वर्षा रानी बड़ी सुहानी  
 सब मच्छुओं मे मुझको भाती,  
 वर्षा रानी बड़ी सुहानी ।  
 हरे-धरे पेड़ों को करती,  
 दिखता सब जग पानी-पानी ।  
 छतरी, बरसाती बाहर आ जाती,  
 हवा झूम-झूम मुस्काती ।  
 बादल गरजे शोर मचाएँ,  
 बारिश की बूँदों मे धीरे,  
 पंखी नाचे घूम मचाएँ ।  
 सब डुत्तुओं मे मुझको भाती,  
 वर्षा रानी बड़ी सुहानी ।

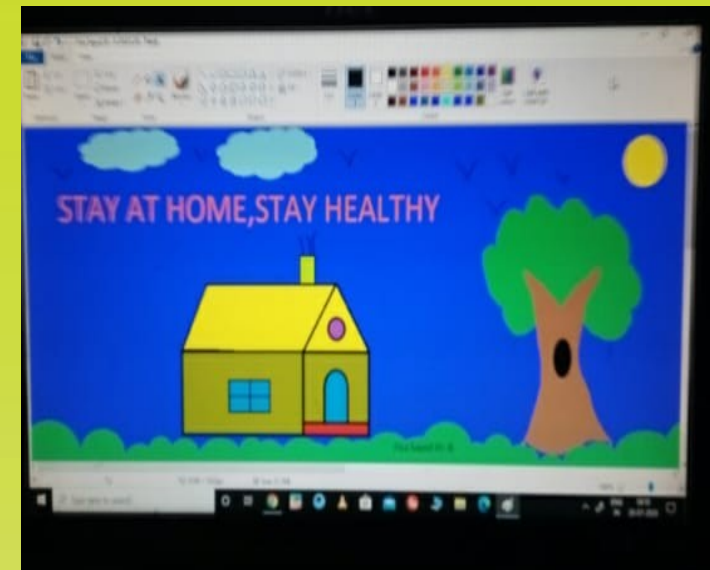

# Fun with Computer

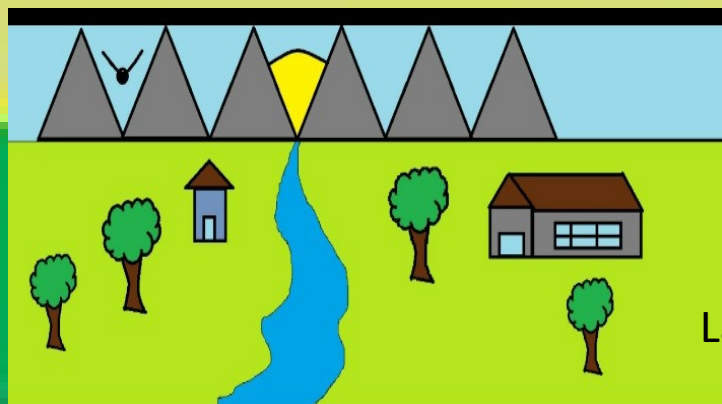

Space is interesting!

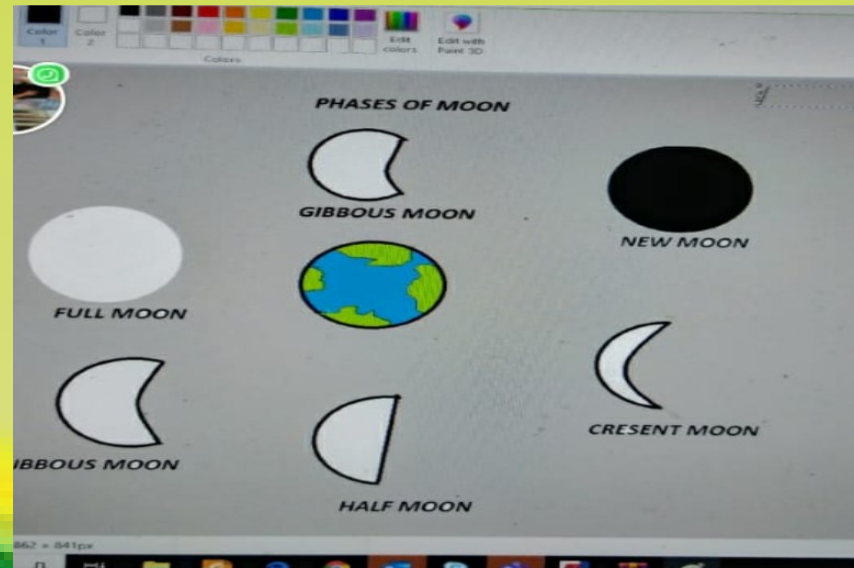

Children did various activities on the computer integrated with science and social science. They really enjoyed the activities.

Covid -19 Poster

Landscape

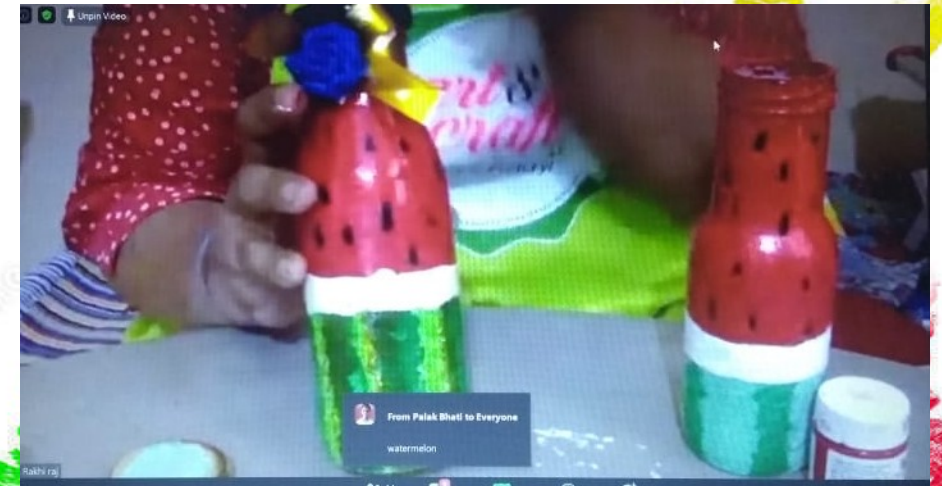

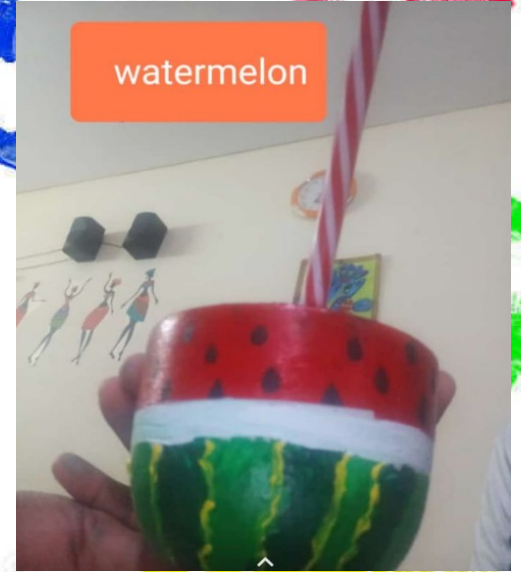

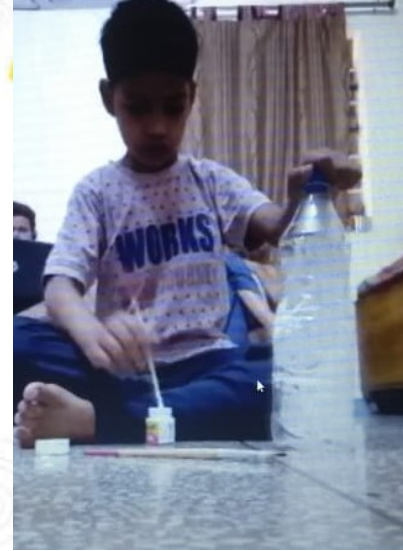

Phases of Moon

# WATERMELON IN THE BOTTLE

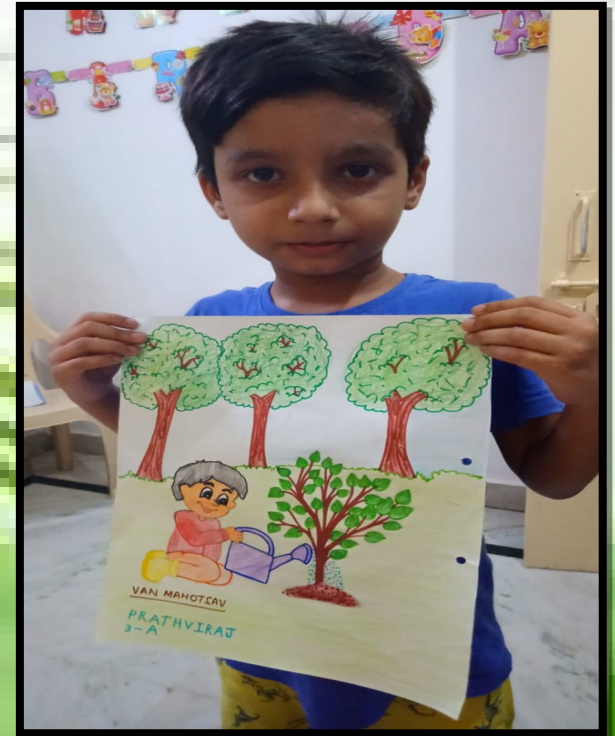

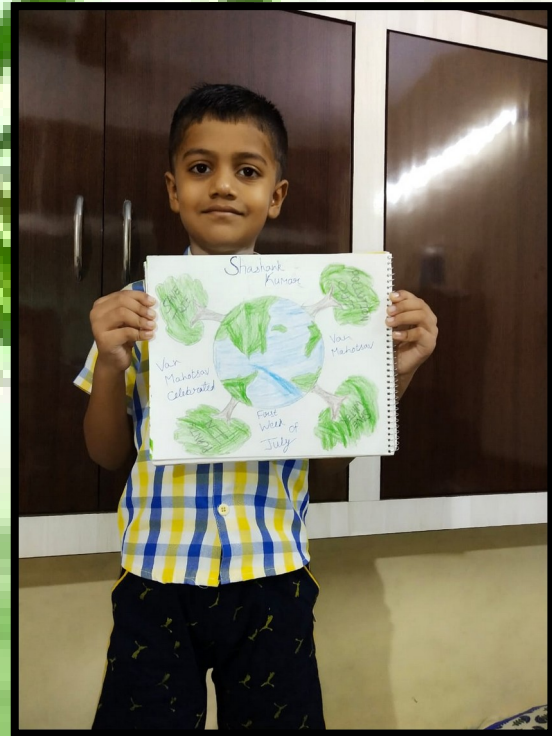

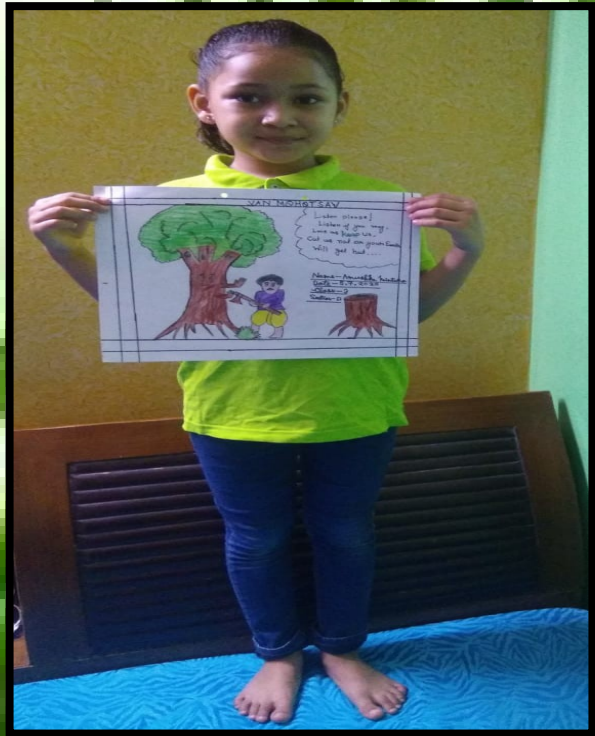

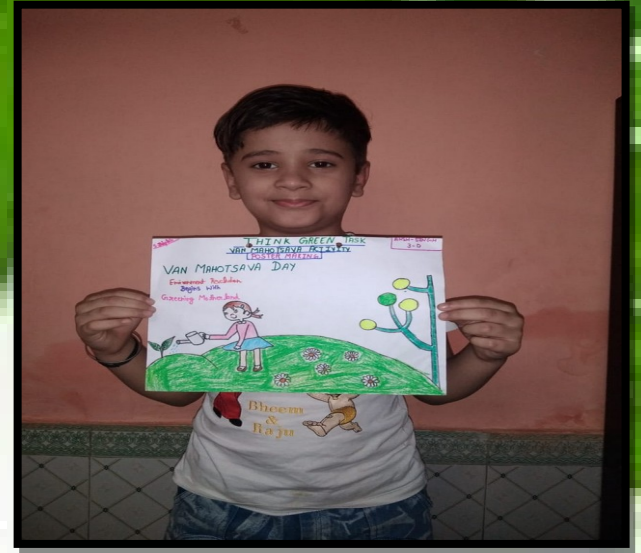

ART WORKSHOP BY FEVICRYL

# VANMAHOTSAV CELEBRATION

Children of class III made posters on the topic – Trees our True Companions. Children also learnt about the indoor plants which they can keep and how they are beneficial for them.

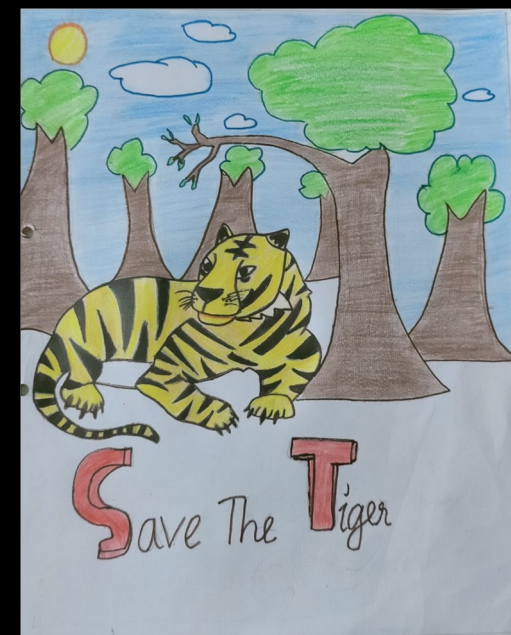

Snake plant- absorbs harmful gases and cleans the air.

# INTERNATIONAL TIGER DAY

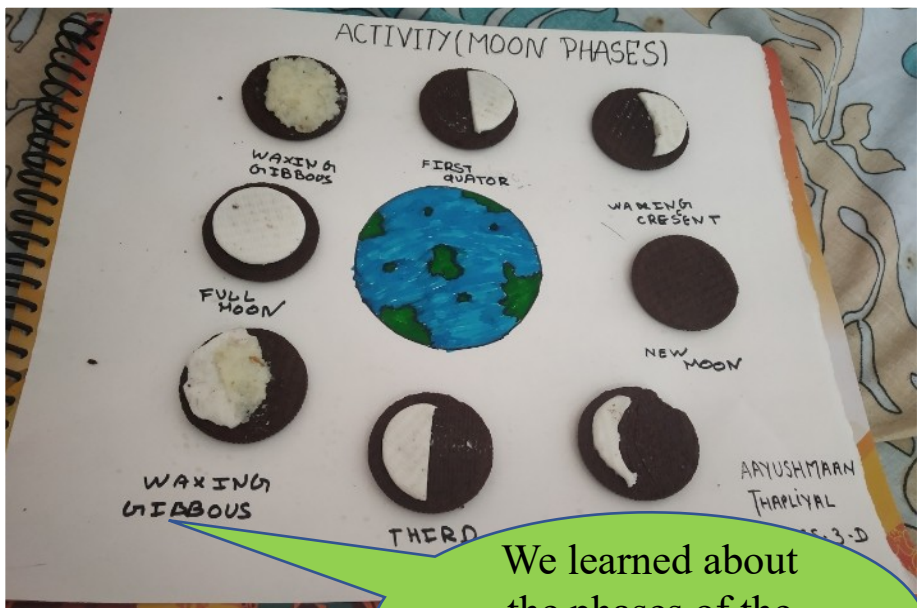

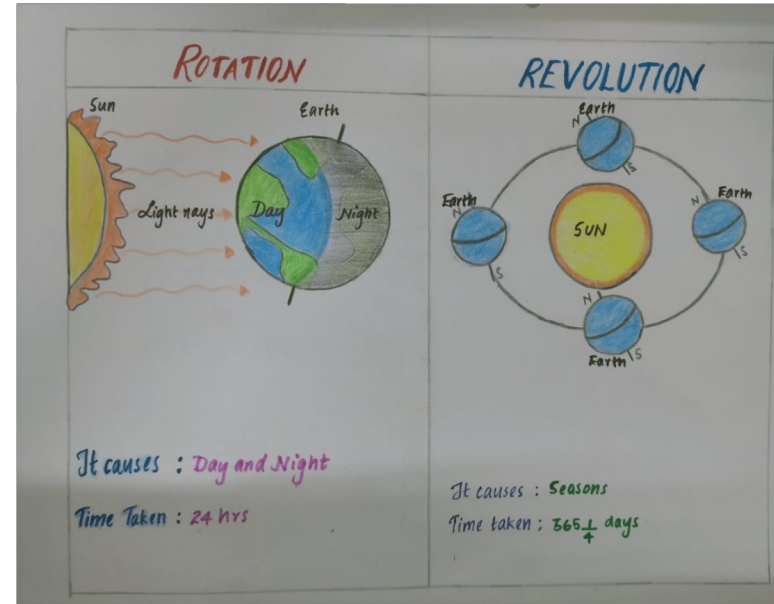

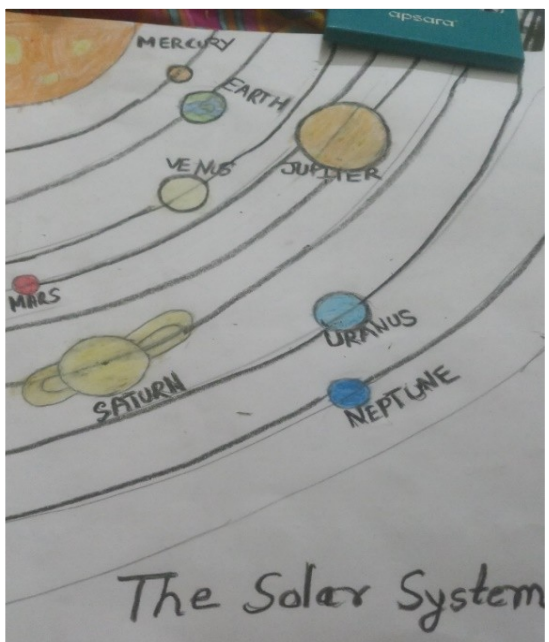

Children made paper bags with save tiger slogans on them.

# Space is fun

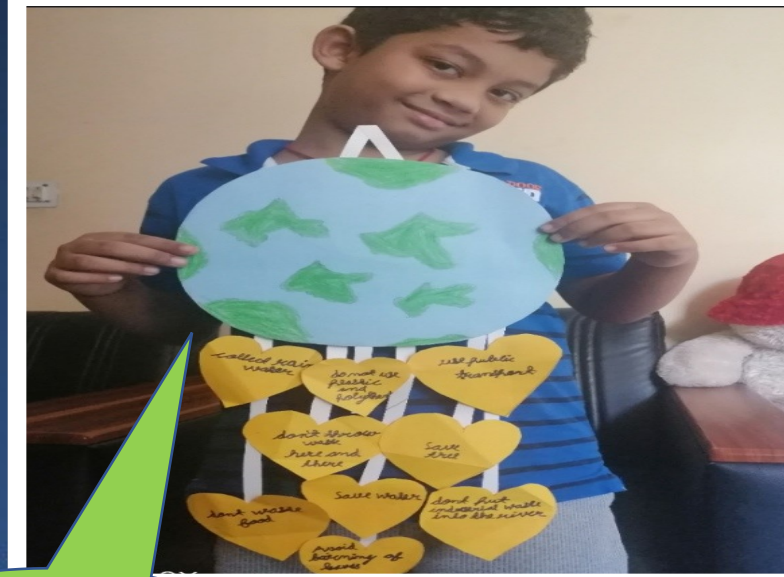

To generate the curiosity in the children about space, a lot of activities were conducted like learning about the solar system, phases of moon with oreo biscuits, Earth dangler and Rotation vs Revolution cards were made by the children.

We learned about the phases of the moon with oreo biscuits. It was fun!

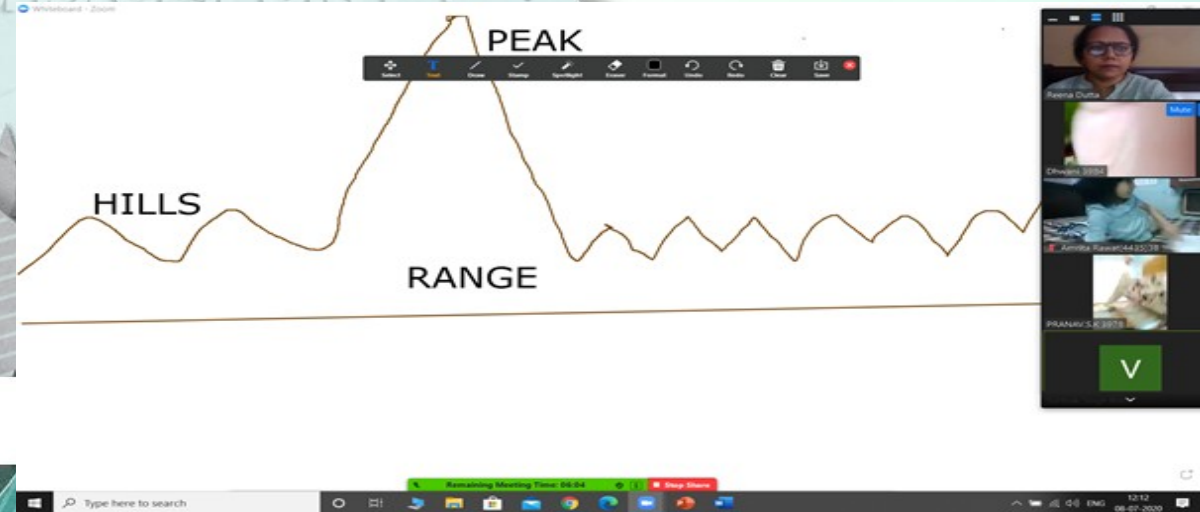

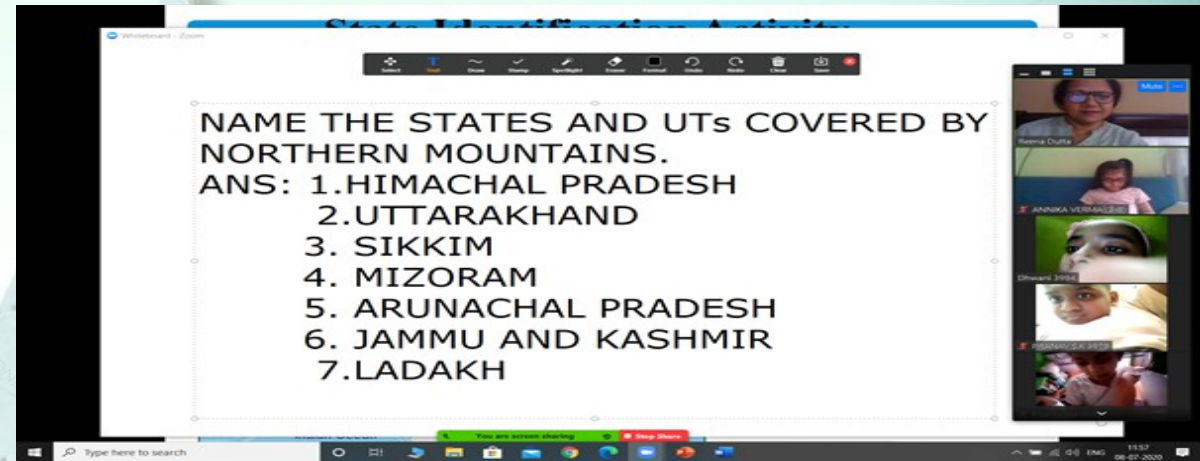

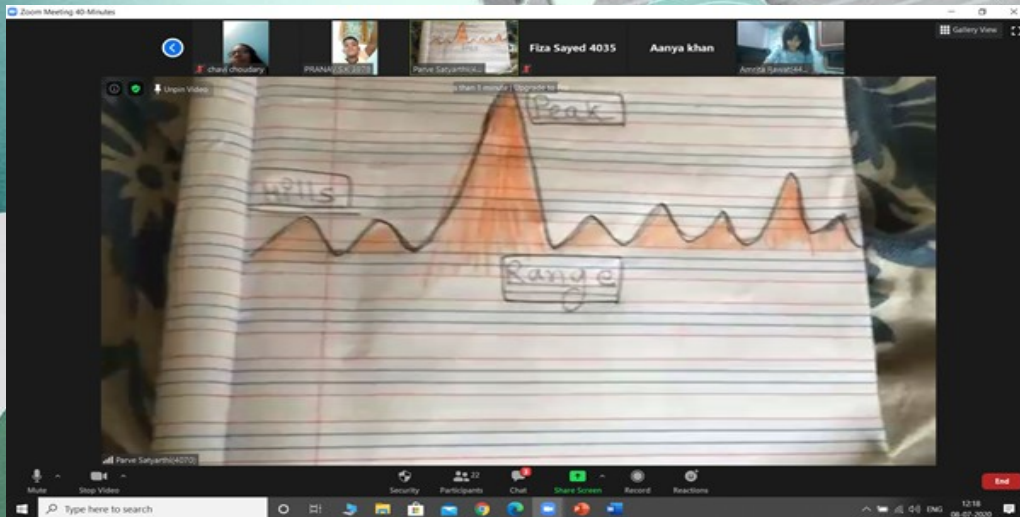

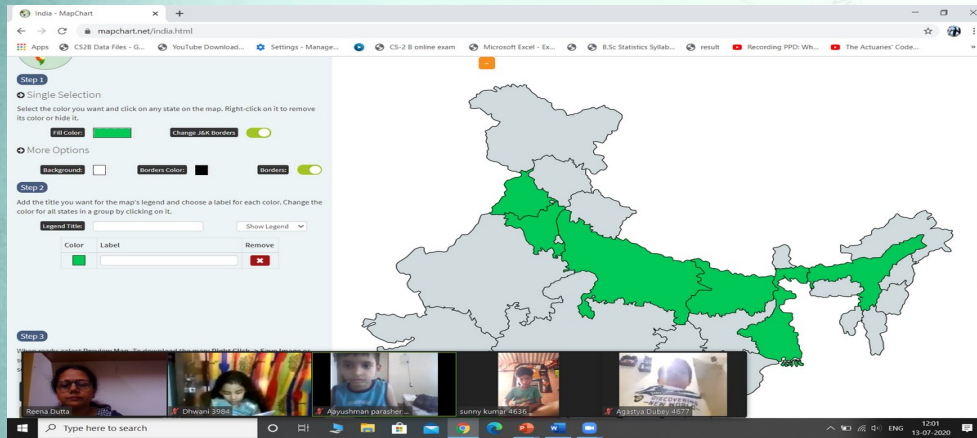

This dangler keep reminding me what I can do to help my planet Earth

# SOCIAL SCIENCE ACTIVITIES

Interactive learning of the mighty Himalayas and the food bowl of India.
