

EAST POINT SCHOOL

**NEWSLETTER For The
Month:- September'20
Class:- Nursery**

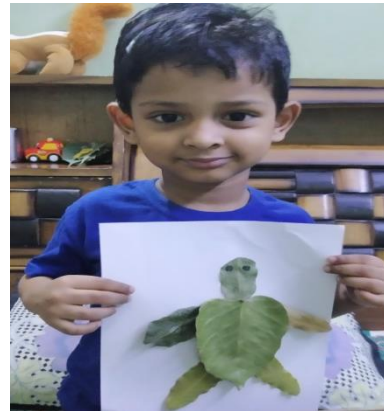

EX·CEL

EX·PLORE

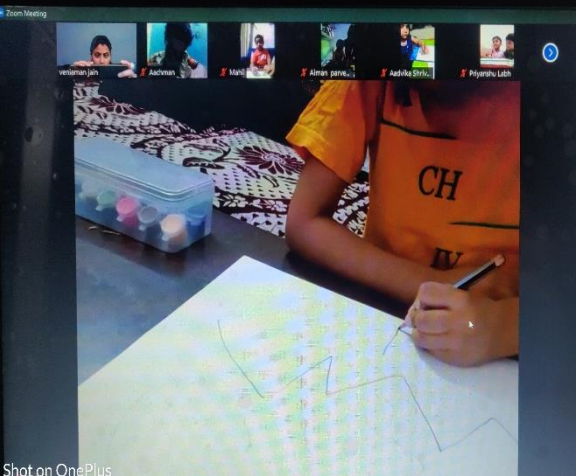

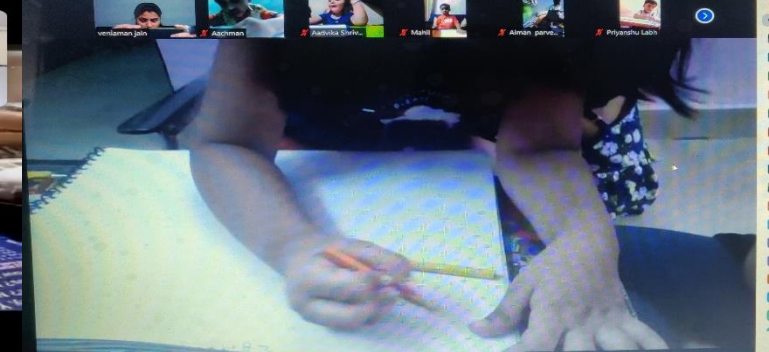

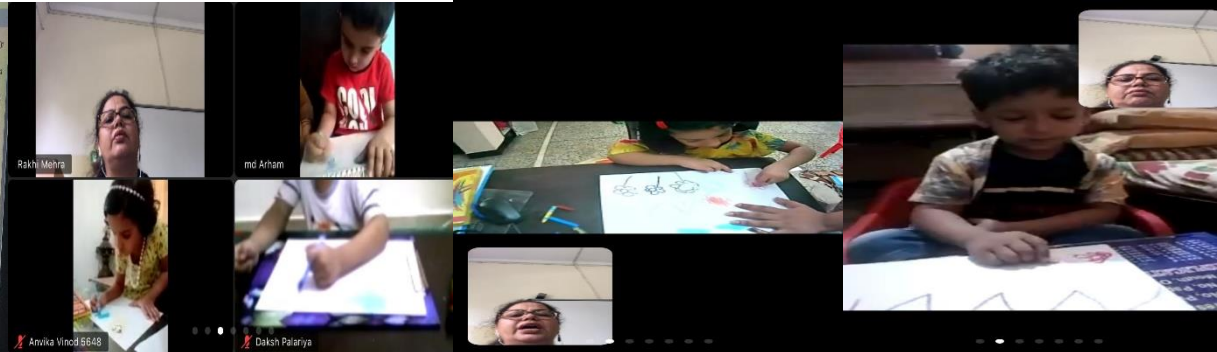

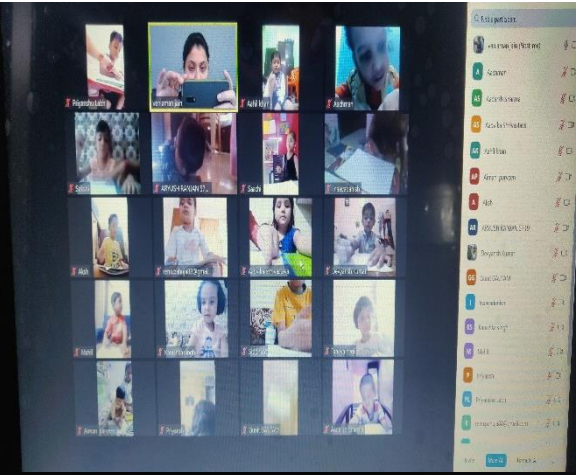

EX·PERIENCE

PRACTICAL KNOWLEDGE

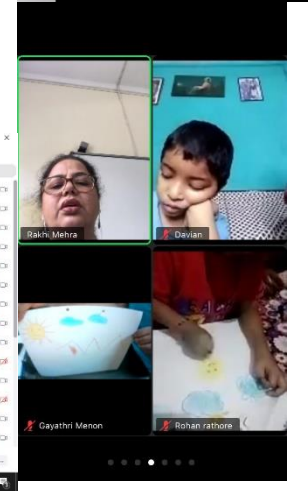

To make young children independent various Life Skills activities like how to wear socks, zipping/unzipping, folding of cuffs, hanging clothes on clothesline wire were taught to the kids. To enhance the creativity and imagination skills students were encouraged to create 2-D images out of fallen leaves.

LIBRARY WEEK

(LISTEN AND DRAW)

GREAT LISTENING SKILLS STARTS WITH A CONNECTION. A CONNECTION BETWEEN EYE, HAND AND BRAIN. TO IMPROVE THE ABILITY TO LISTEN, DEVELOPMENT OF FINE MOTOR SKILLS AND EYE HAND COORDINATION. LISTEN AND DRAW ACTIVITY WAS DONE IN NURSERY IN WHICH STUDENTS LISTENED TO THE STORY AND DREW PICTURES RELATED TO IT. IT WAS A GREAT EXPERIENCE FOR THE CHILDREN.

SCIENCE WEEK

To develop the understanding of different seasons Science week was conducted during the month of September. Our inquisitive learners of Nursery actively participated and learnt through fun based activities.

ART / CRAFT

Children did painting of different seasons by using finger dipping only.

Using the knowledge of shapes (oval) and colours (brown), children made beautiful pictures.

Children made figures and objects with the help of shape box.

Children learn easily through fun and play. Through art and craft they learn very easily as children love colours. They learnt about seasons. They also learnt shapes, colours and alphabets very easily.

Children drew alphabets using different lines and curves and also made objects related to those alphabets.

Children did craft and drawing related with different seasons.

Children made different things which they see in different seasons and made an interesting game out of it.

Children made season related things with clay.

Free hand drawing done by children.
