**RHYME RECITATION**

# **EVS Theme -TRANSPORT**

Students of KG showcased their transport learning activity by making model of bus, origami boat and traffic light. They also expressed few lines about different types of transport in show & Tell activity. Quiz was conducted where students participated and enjoyed. Worksheet was also completed by all students of KG. Children also learned about traffic rules as part of activity.

## VIRTUAL FIELD TRIP

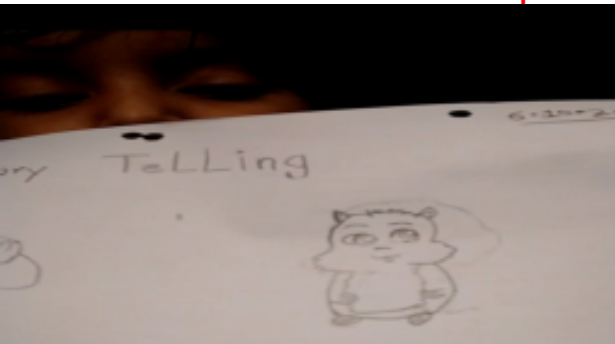

A VIRTUAL TOUR TO THE RAIL MUSEUM, AIRPORT AND HARBOUR WAS ORGANISED FOR OUR KINDERGARTEN CHILDREN. A VARIETY OF MATERIALS SUCH AS VIDEOS, TEXTS ,STILL PICTURES AND INTERACTIVE WEB CONTENT WERE USED EFFECTIVELY. CHILDREN ALSO SHARED THEIR EXPERIENCES OF TRAVELLING THROUGH DIFFERENT VEHICLES AND TOOK ACTIVE PARTICIPATION DURING DISCUSSION.

# TIPPIE THE DUMP TRUCK

Story telling is an effective tool for learning and development in kids. It creates empathy in them, helps with their brain development and lays the groundwork for the development of social, communication and interpersonal skills to encourage creative thinking and problem-solving abilities.

# DUSSEHRA CELEBRATION

RAVANA CRAFT

Our kids can sense the festive vibes.

To celebrate the victory of good over evil, our kids made Ravana by using paper cutouts.

They watched Ramayana through a puppet show.

It was a visual treat to see them dressed up as RAMAYANA CHARACTERS.

Follow-up Activity:  
Quiz

RAMAYANA CHARACTERS

PUPPET SHOW

DANCE

# LEARN THROUGH PLAY

Using shapes to create transport

Making models of different transport using clay

Car Washing activity

Dancing to the tunes of traffic lights

Using edibles to make vehicles

Keeping transport as the theme, lot of hands- on activities were introduced in Life Skill session where both Nursery & KG kids learnt about different vehicles, its usage , traffic signals and its rules. It was a fun-filled session.
