Maths

Ingredients	No. of items	Amount
cake		
butter	5	500
water	15	1500
chocolate	15	500
chocolates	13	300

As the theme of 'Celebration and Festivals' is so much connected to the daily life of children, they enjoyed all of the activities. Children weighed different ingredients and prepared various food items. They observed the properties of different 2D shapes by making a garland using geometrical shapes.

गतिविधि कार्य

छात्रों ने कक्षा में अपनी पंसद के त्योहार में बनने वाली व्यंजन का चित्र बनाकर कुछ वाक्य बोले।

दशहरा असत्य पर सत्य और बुराइयों पर अच्छाइयों की विजय का पर्व है। इसी विषय को समझाते हुए छात्रों ने हर्ष और उल्लास के साथ रामलीला के विभिन्न किरादरों को उत्साह के साथ ऑनलाइन प्रस्तुत किया।

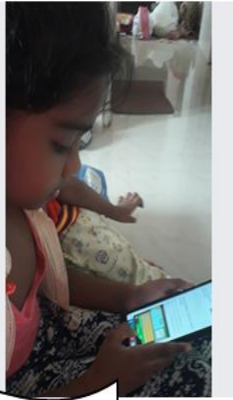

दशहरा

Bright young learners made attractive puppets on Dussehra and were made aware about the harmful effects of crackers during the festival and celebrations.

Lakshara

National Wildlife week was observed to raise awareness on the theme **Life below water for people and planet**. The students had a fantastic experience to know about various animals through Australian zoo tour and enjoyed playing an online game and poster making activity.
