Class –III

Month – October

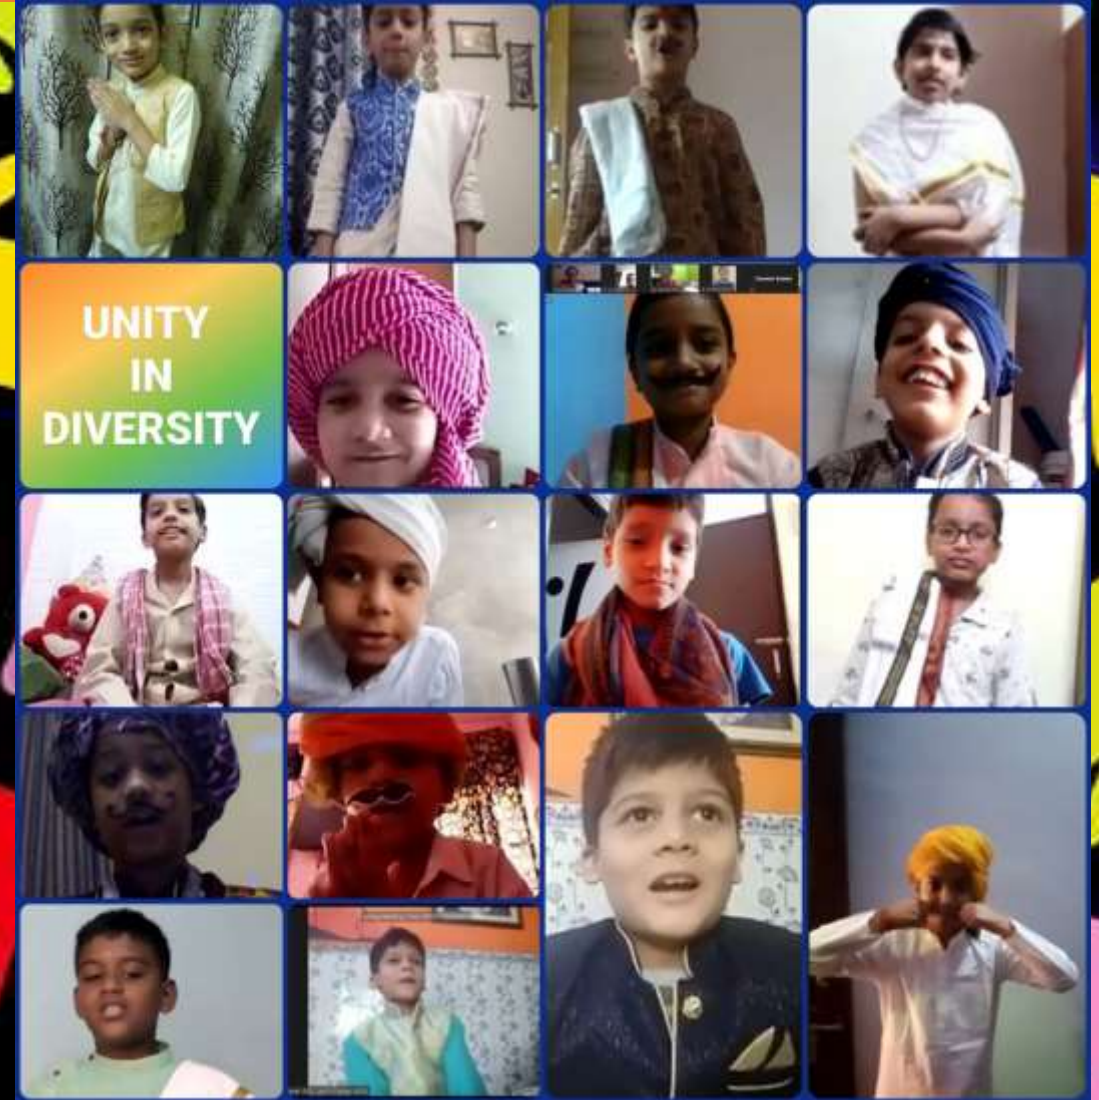

**TODAY**  
is the day to  
learn something  
**NEW**

# Unity in Diversity – Social Science

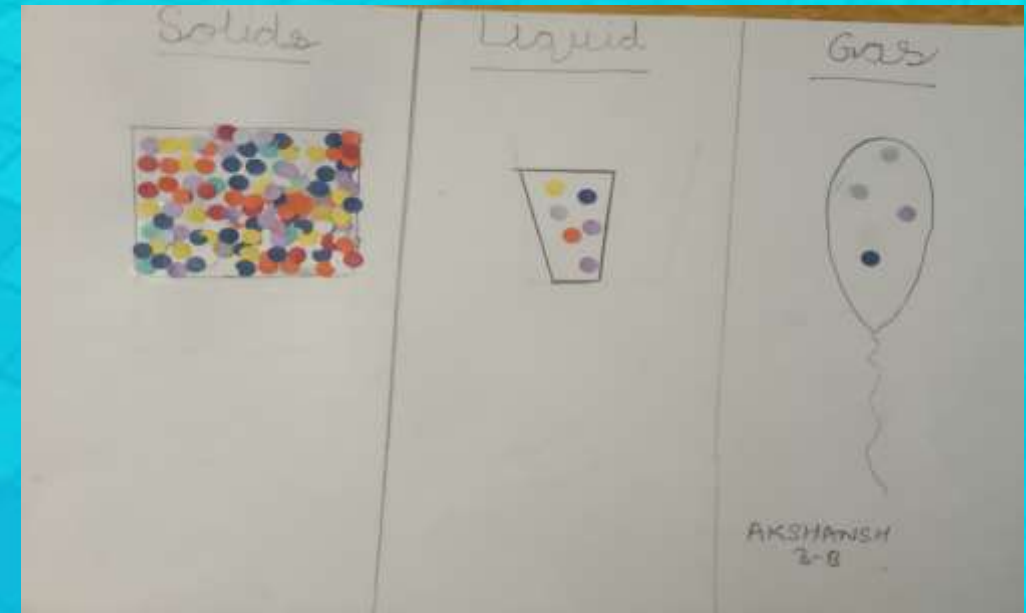

While studying about the cultural diversity of India in Social Science, a role play activity on traditional wear of different states of India was organized.

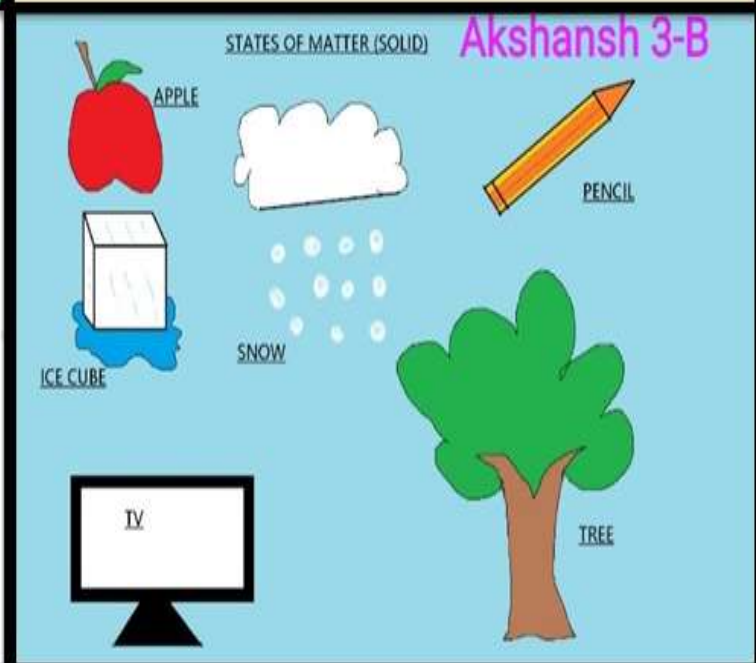

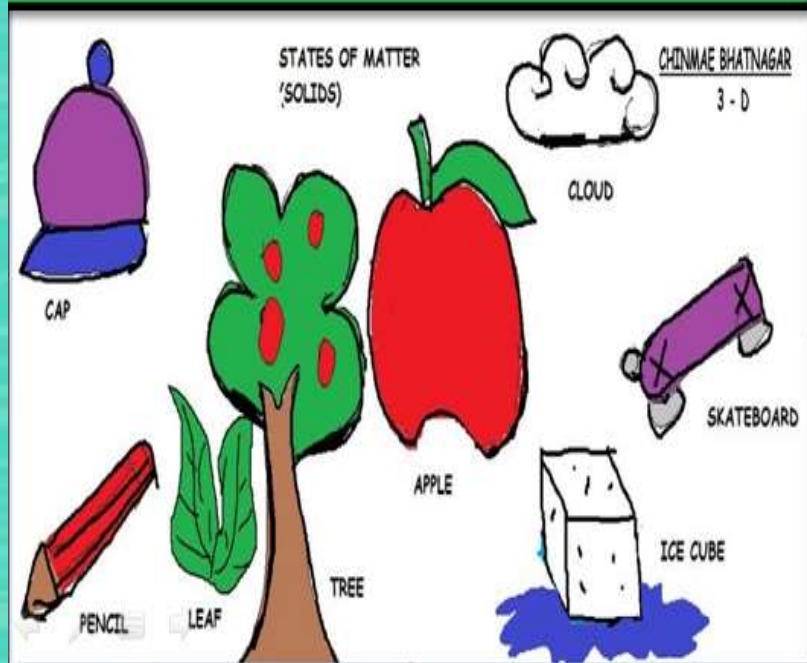

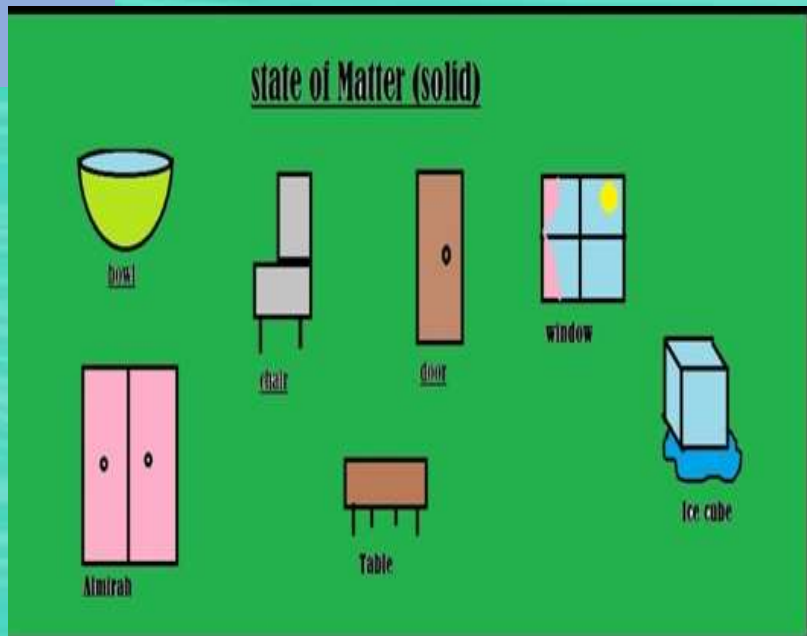

# Science – The states of Matter

To help children understand the three states of matter and their properties, the children were asked to display the molecular arrangement in the three states of matter with 'bindis'.

# Integration with ICT

Children displayed the three states of matter- solid, liquid and gas on MS Paint with enthusiasm.

# Dussehra – Mask Making Competition

Children made masks of various characters of Ramayana with great enthusiasm.

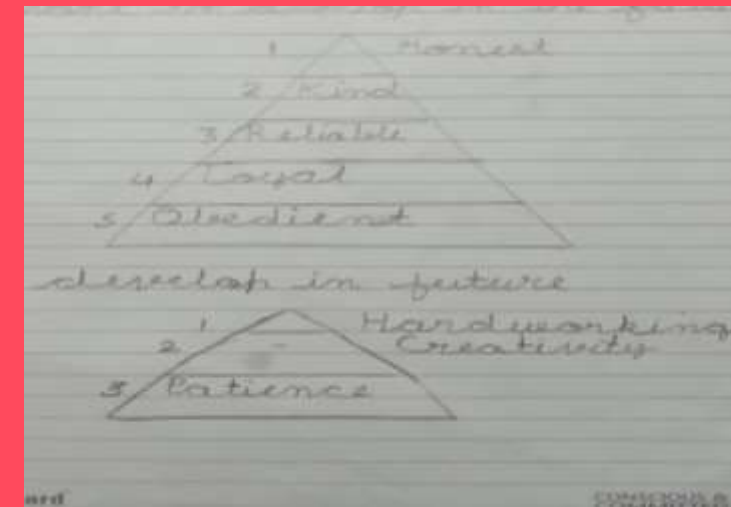

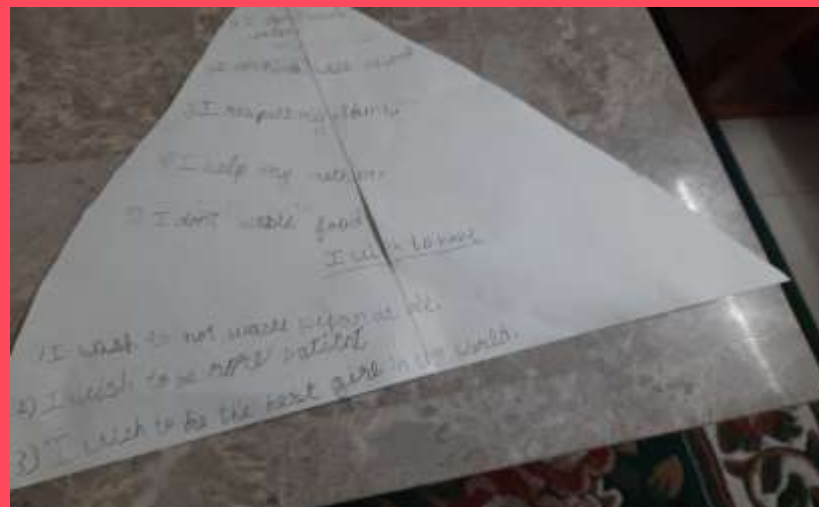

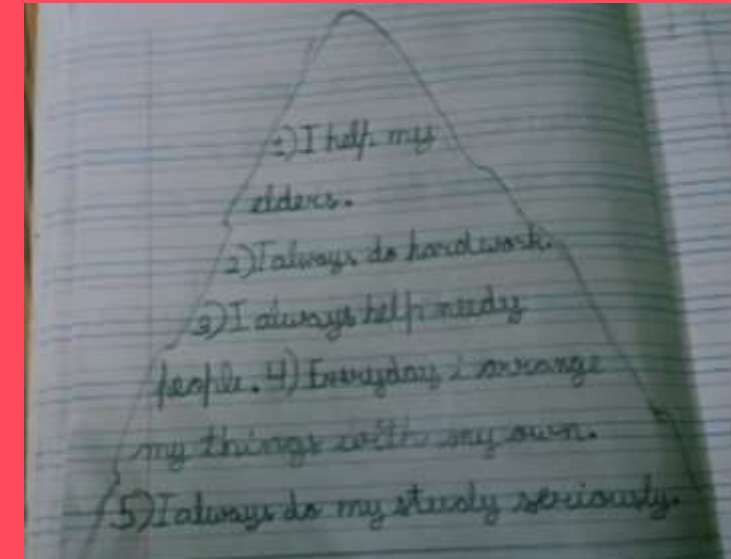

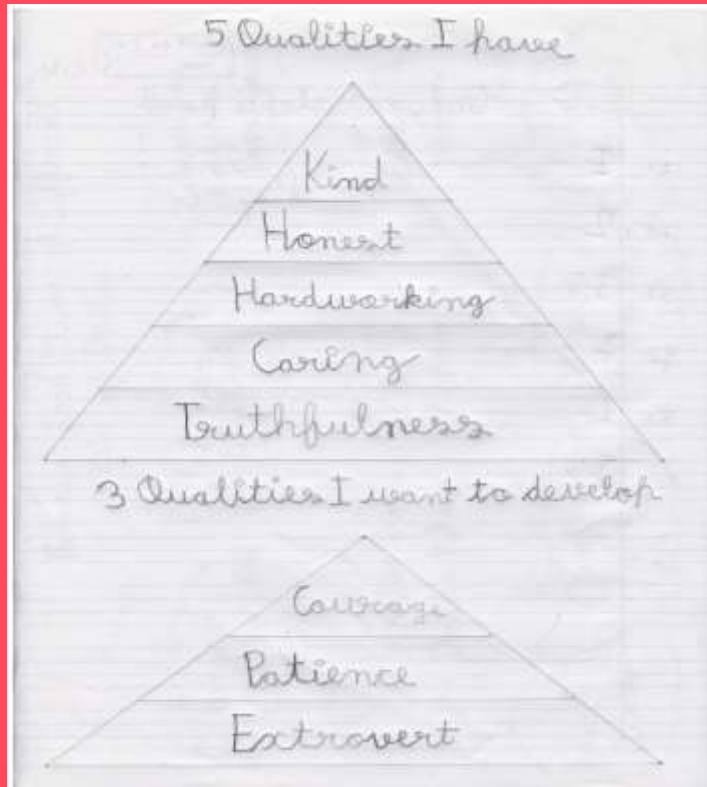

# दशहरा

छात्रों ने रामलीला मंचन का प्रस्तुतीकरण किया। छात्रों ने रामायण के पात्रों को सुंदर अभिनय द्वारा दर्शाया तथा सूत्रधार ने दशहरे का महत्व बताते हुए शुभकामनाएं दीं।

# Dussehra Homework – My Mountain of Values.

# English is Fun

To enhance the language skills of children, 'Ad Mad World' and role play – My favourite character were done in the class. Children participated with enthusiasm and enjoyed the activities a great deal.
