Little Safety Hero!

1. A speaking activity was conducted with students of class II.

2. Students spoke about their favourite safety superheroes like doctor, army, etc.

Maths Week

Abhinav
Gupta

165 cm
My father

As part of Maths week, children measured the height of different family members using measuring tape.

The real life application of the concepts learnt gave students a context to relate their learning.

Story Telling

Activity

winning and losing

in winning and losing a game? Winning is fun, but how do you behave when you lose in a game? Tick (✓) what best describes you.

throw things around?	write down whatever you feel instead of saying it aloud?	listen to music?	sulk?
bang doors?	call people names?	lock yourself in your room?	blame everyone?
yell?	take ten deep breaths?	sing instead of shouting?	
cry?	talk to a friend or parent?	stop talking to others?
